

Exploring Creation with Mathematics, Level 3 – Errata File

This file contains the clarifications and corrections for the 6th Printing: January 2025 of the **Student Text and Workbook**. (Updated March 2026)

You can find which printing you have by going to the publications page in the front of your book. The printing for the Student Text and the Teaching Guide & Answer Key may not be the same. Corrections for the Teaching Guide & Answer Key are in a separate file.

Clarifications:

Page 48 and 49 – Problems 1 and 14 were changed to the following:

#1. $351+295$

#14. $345+198+141$

The answers on page 24 of the Teaching Guide & Answer Key were updated to reflect the changes as well.

Corrections:

Page 62 – Change the number 253 on the egg to **353** and change the number 296 on the egg to **396**. (There are no subtraction combinations that equal 253 or 296.)

Page 266 – On the third problem, the added individual piece should be the size of $\frac{1}{5}$ of the circle not $\frac{1}{4}$.
