Elthon is an experienced Photo Editor and Production Retoucher with over 9 years of professional experience specializing in high-volume image editing, retouching, color correction, clipping paths, and background removal. He has worked across eCommerce, automotive, apparel, and graphic production environments, consistently delivering high-quality images while meeting strict quality standards and KPIs. With a strong foundation in Adobe Photoshop and production workflows, Elthon is well-equipped to support fast-paced creative teams requiring precision, efficiency, and attention to detail.

WORK EXPERIENCE

PHOTO EDITING/PHOTO EDITOR

032 Outsourcing | December 2023 – Present (2 Years, 6 Months)

- Edits and enhances automotive images through background replacement, color correction, retouching, resizing, and quality assurance while consistently meeting production goals and company KPIs.

PRODUCTION PHOTO EDITOR / RETOUCHER

2morrow Creation | February 2022 – March 2023 (1 Year)

- Retouched apparel images by performing clipping paths, masking, shadow creation, background removal, resizing, and image optimization for eCommerce platforms.

TEAM LEADER/PRODUCTION PHOTO EDITOR

Pointmask Graphic Solution | June 2017 – February 2022 (4 Years, 8 Months)

- Led a photo editing team while producing high-quality image retouching, color correction, clipping paths, and production-ready files, ensuring accuracy across print and digital deliverables.

WAITER/HEADWAITER

Shang Hotel & Catering Services | February 2015 – February 2017 (2 Years)

- Delivered exceptional customer service in a fast-paced hospitality environment while managing multiple tables, maintaining service quality, and ensuring customer satisfaction.
