

PLACE VALUE

Gingerbread House!

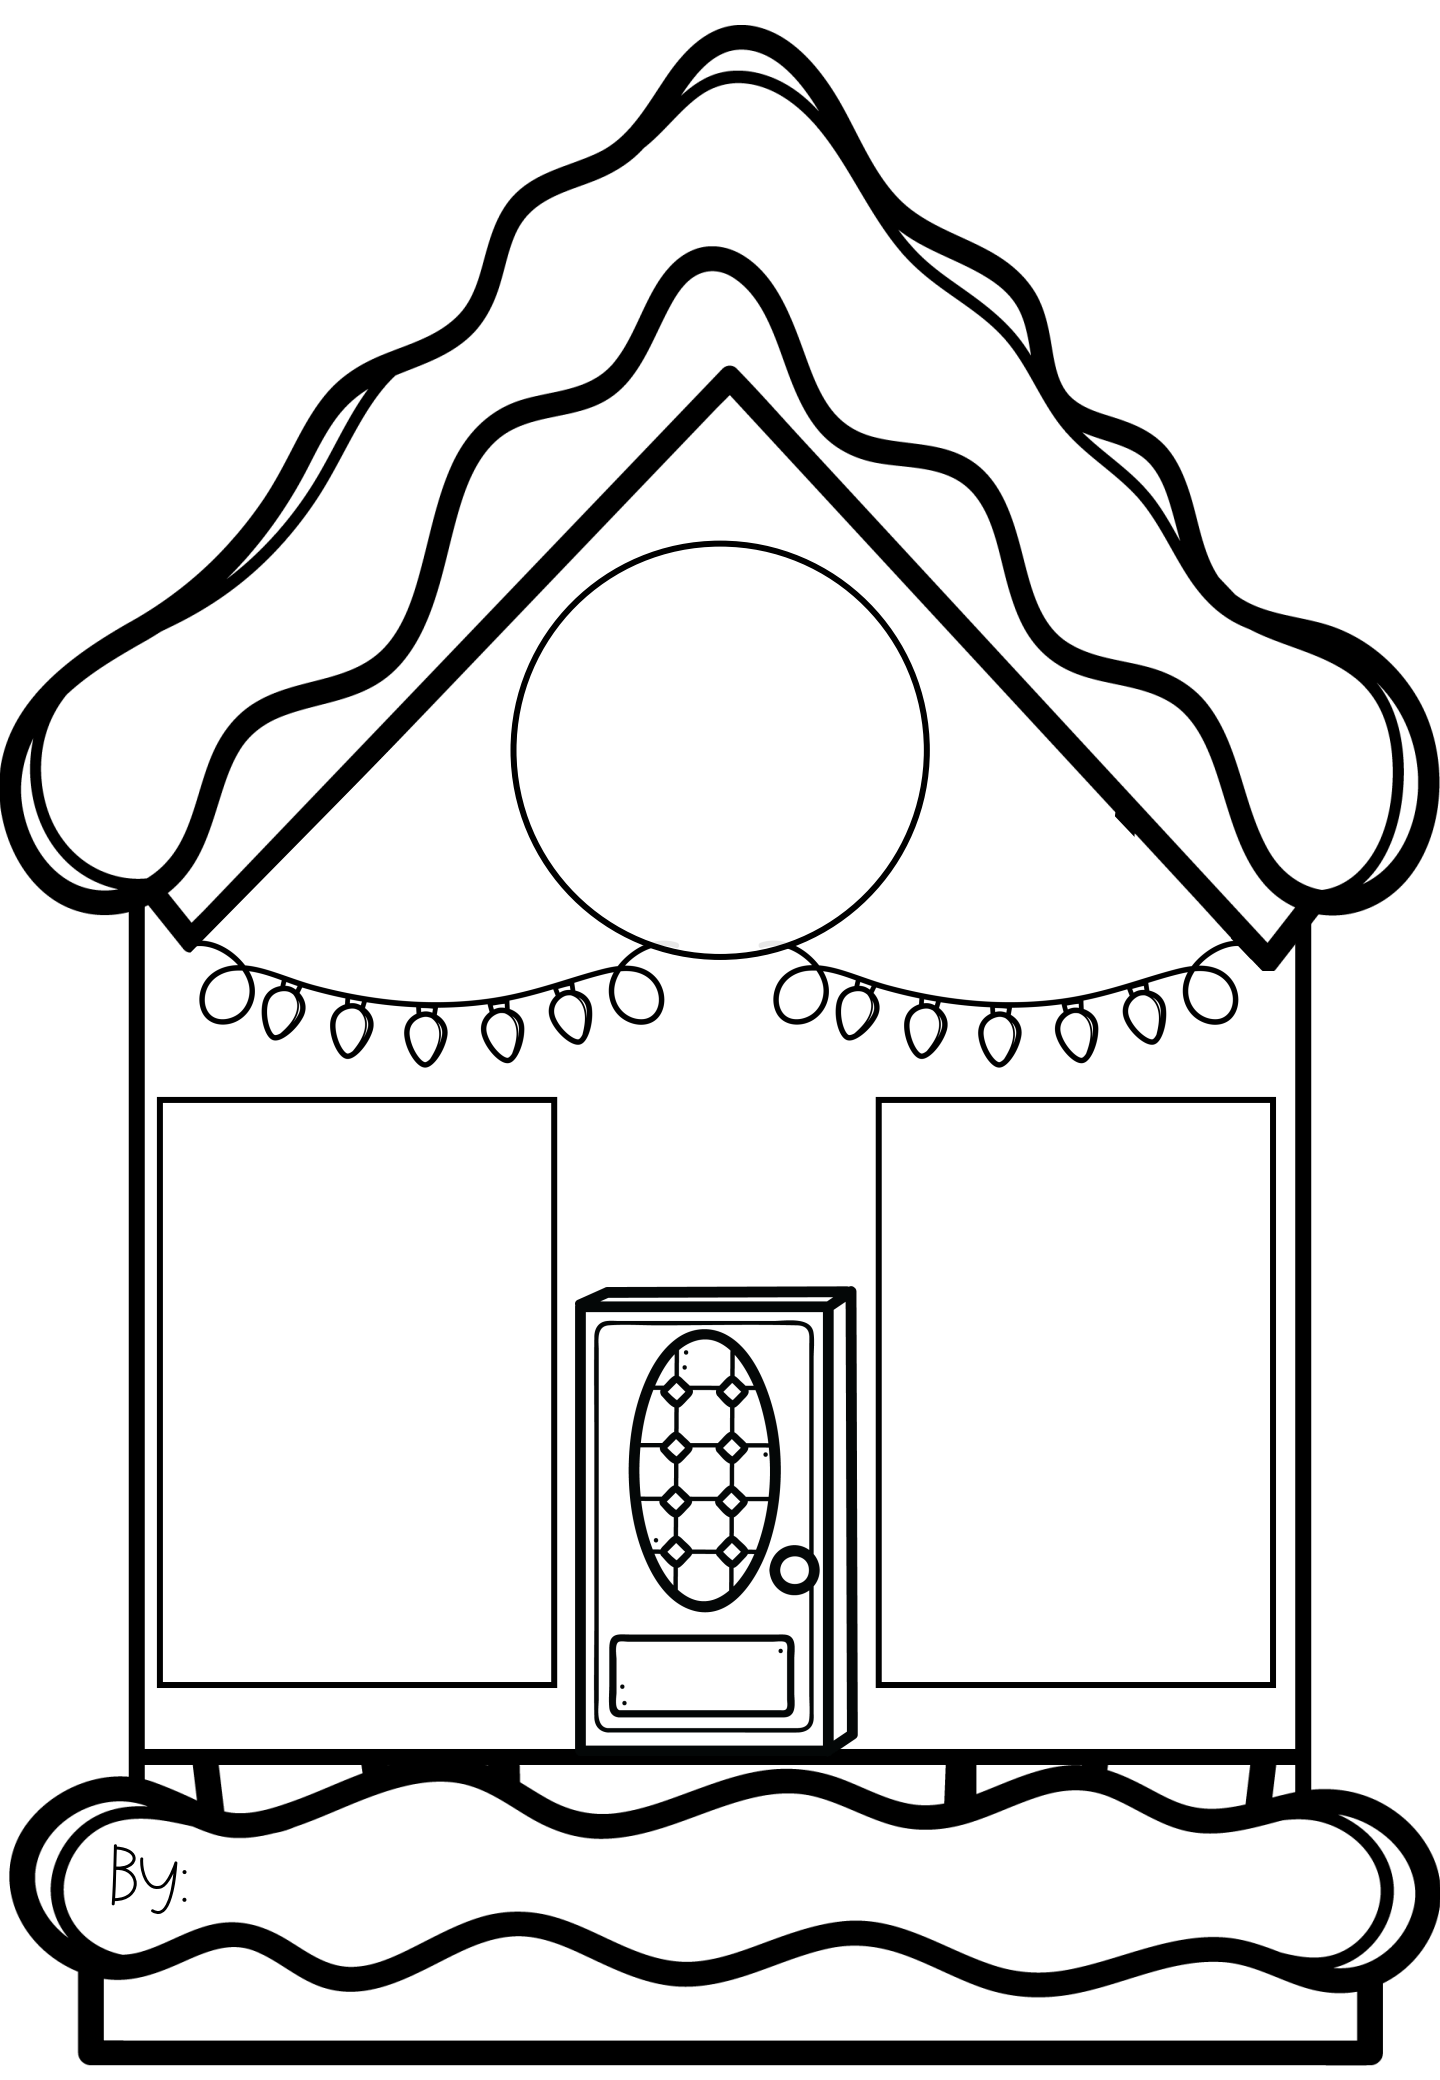

HOW TO ASSEMBLE

Two options have been provided; a 'lift-the-flap' or a one page option. The one page option has the headings printed directly onto the page.

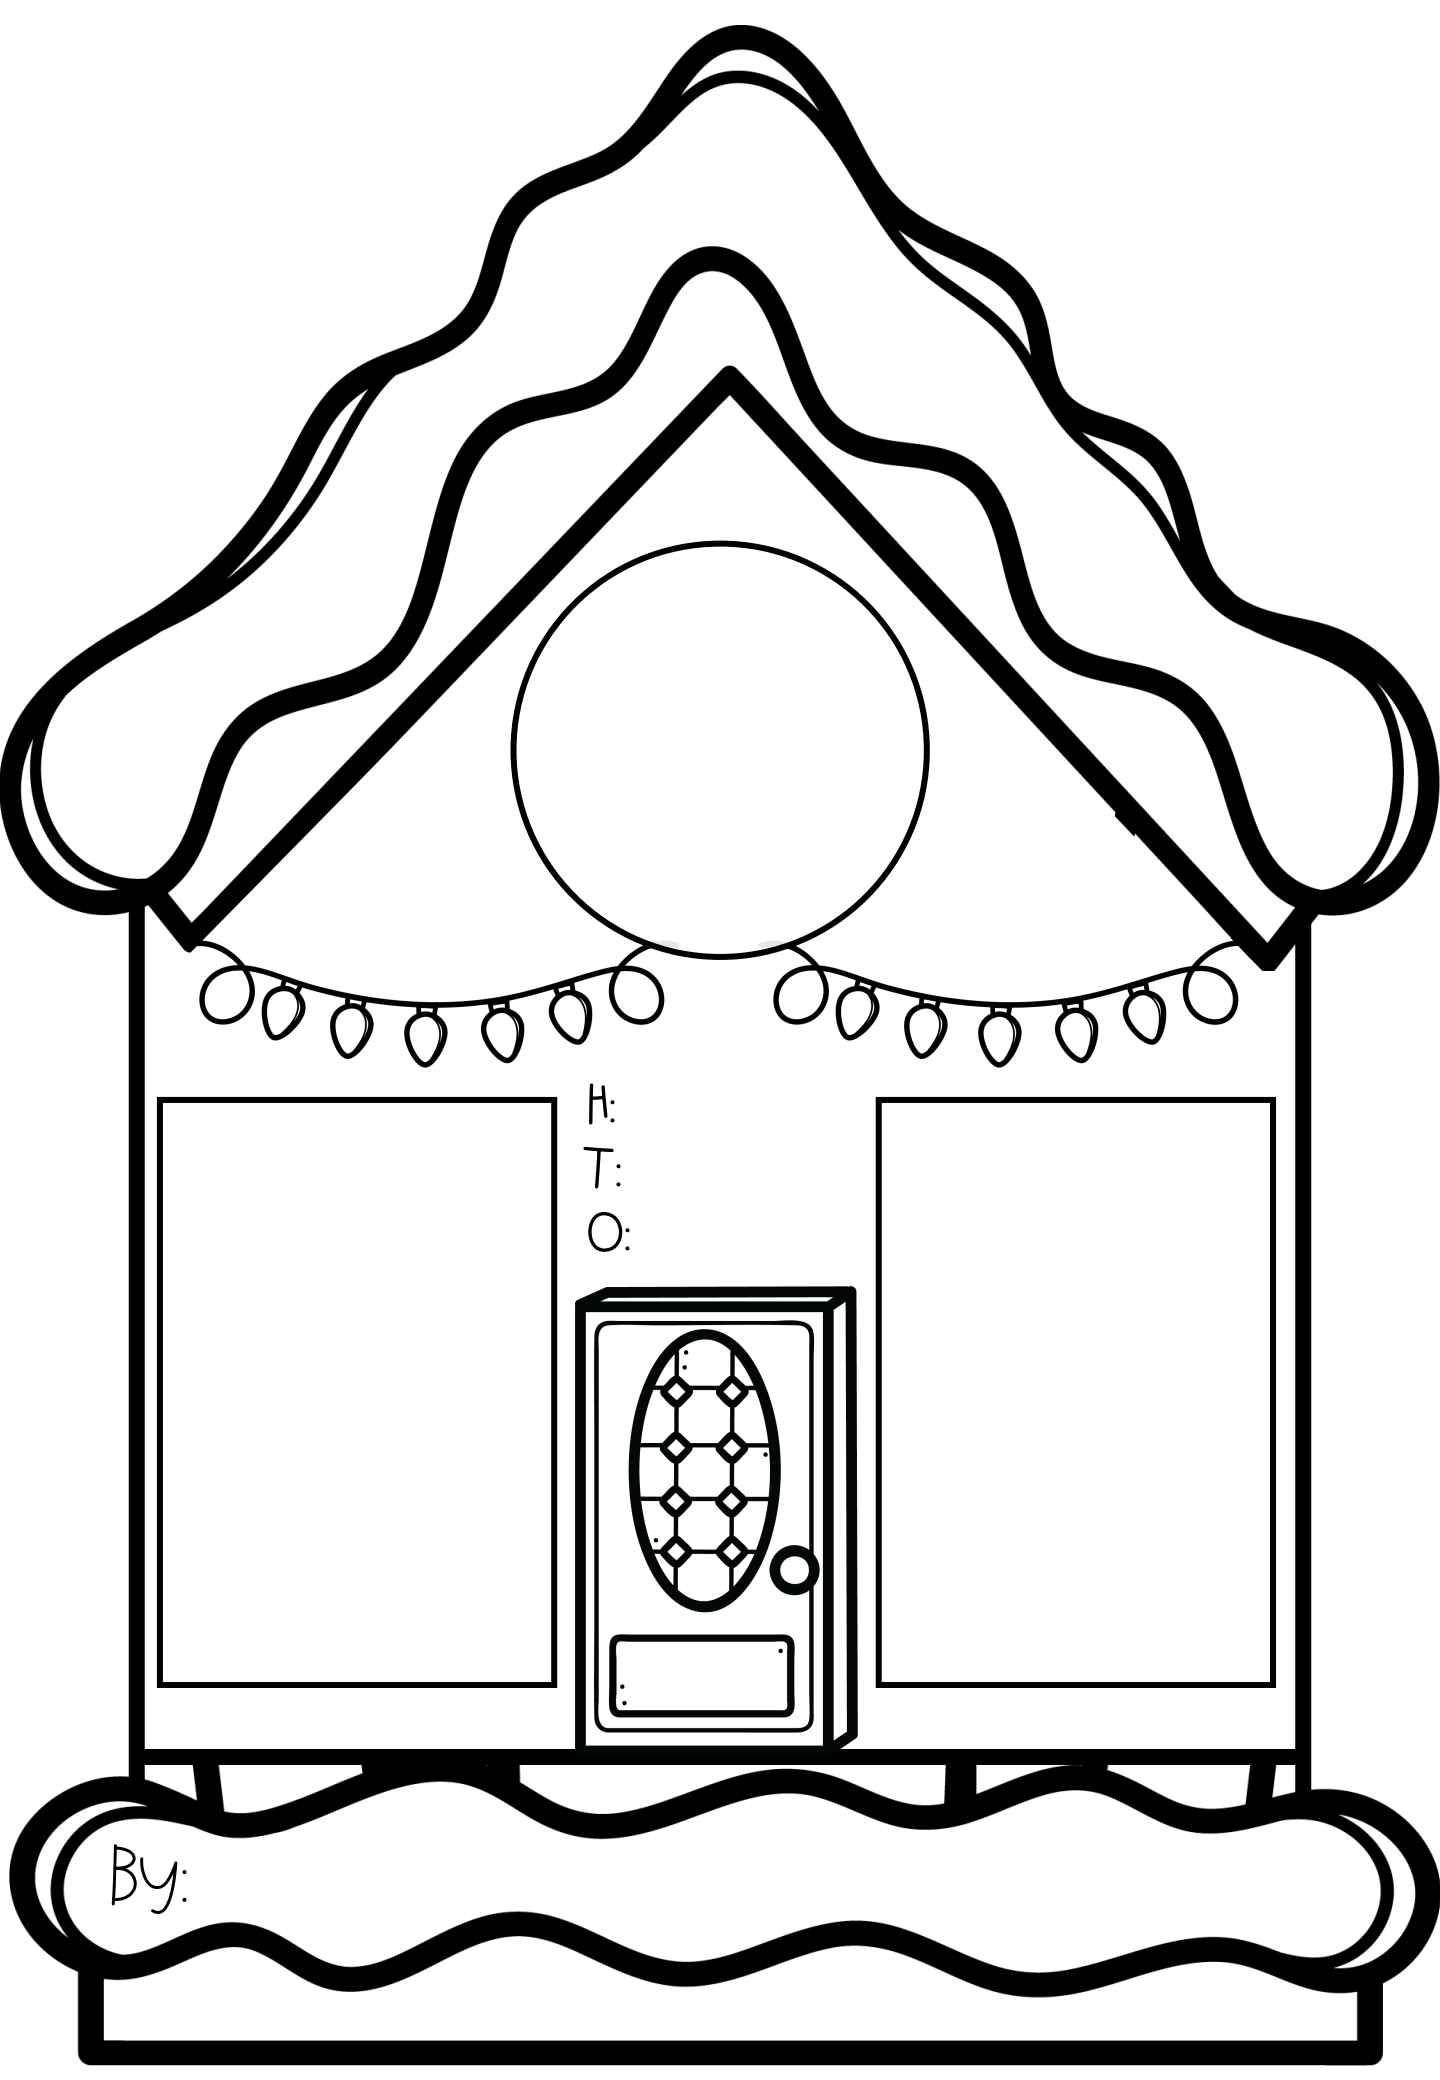

To assemble the 'lift-the-flap' option:

- Print out a gingerbread house template for each student.
- Give each student a set of windows etc.
- Student glue the windows and candy on as a 'lift the flap'.
- Provide each student with their number or let them pick.
- Optional: Cut out house and mount onto card.

HEAR WHAT OTHERS ARE SAYING -

"So amazing to have something user friendly, quick and easy to go to. I use this daily in my class at the beginning of our lesson to warm up before rotations. My students love using this with their whiteboards or using the interactive whiteboard. So helpful, and something I use regularly! Such a time saver!"
