

Poule

Patrick Norguet, 2011

Square, rectangular and round table / Folding version / High table

La collezione di tavoli e tavolini Poule riprende la forma di una zampa di gallina. Un'idea spiritosa, messa in pratica seriamente.

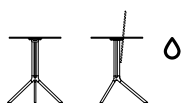

The Poule collection of tables and coffee tables recalls the shape of a hen's foot. A clever idea seriously put into practice.

Die Kollektion der Tische und Beistelltische Poule hat die Form eines Hühnerfußes. Eine witzige, ernsthaft in die Praxis umgesetzte Idee.

La collection de tables et de tables basses Poule reprend la forme d'une patte de poule. Une idée drôle, mise sérieusement en pratique.
