2. ✘

Yesterday I went out to hang out (play) with my friends all night. I was very tired but also very happy.

★ Yesterday my friends came to my house to hang out (play).

(I went out to hang out with my friends, so they didn't come to my place.)

3. ✔

Tomorrow is September 21, just three more days, and it is my little brother's birthday. I want to buy him a new mobile phone.

★ September 23 is my little brother's birthday.

(Tomorrow is September 21, so today is 20, in three days it is 23.)

4. ✘

Hello, my name is Wang Zhenglog. Wang is my family name. Your sister and I both work at the restaurant inside the train station.

★ Your sister is a waitress.

(Just because my sister, a woman, works at a restaurant, doesn't mean she has to be a waitress. She could be a cook.)

5. ✘

I like running very much, but my husband doesn't, that's why I'm still going to run by myself.

★ I enjoy running by myself.

(The speaker never mentions if running alone is enjoyable, they are doing it only because their husband doesn't like running.)

6. ✓

Little sister, teacher Zhang let me tell you that she couldn't get your train ticket, so you are going to have to go take a flight to Beijing next month.

★ My little sister is going to Beijing next month.

(Teacher Zhang couldn't buy a train ticket for my little sister, but she's still going to Beijing, only by flight.)

7. ✗

My wife is sick. She took some medicine this morning and is taking a rest in the room now. Could you please come here again tomorrow?

★ The wife went to the hospital this morning.

(The speaker never mentions a hospital, and we don't need to go there to get medicine.)

8. ✗

These tables and chairs were made more than a hundred years ago,

that's why they are way more expensive than the modern ones.

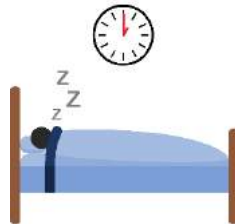

★ These tables and chairs are new.

(A hundred years cannot be count as new.)
