Color Specifications for Logos and Designs

Note: All color codes are based on the Pantone Matching System, a standardized color system widely used in various industries. Please double-check these codes before proceeding with printing.

1. Gray on glasses: 426 C (Pantone)
2. Yellow: P 10-6 U (Pantone) - Same as other yellow areas
3. Dark Green: P 177-14 U (Pantone) - Same as other dark green areas
4. Green: P 139-3 U (Pantone) - Same as other green areas
5. Pink: Magenta 0521 C (Pantone) - Same as other pink areas
6. White: 656 C (Pantone) - The whitest possible shade available in the color chart
7. Darker Green: 7730 C (Pantone)
8. Darker Yellow: 143 C (Pantone)

Ensure that all Pantone color codes are accurately represented to maintain design integrity during the printing process.
