PROFESSIONAL

ULTRA FINISHING POLISH

M205

- ▶ Advanced technology formula provides deep gloss and rich, swirl-free results
- ▶ Permanently removes swirls & light defects from all paints
- ▶ Produces deep reflections & high gloss
- ▶ Smooth buffing feel and fast wipe-off

**FOR PROFESSIONAL USE ONLY.
NOT INTENDED FOR RETAIL SALE.**

BODY SHOP SAFE

DIRECTIONS: SHAKE WELL. Always work on a cool, properly cured paint surface.

DA application: Apply directly to appropriate Soft Buff DA Foam Disc. Set DA polisher to 4800 - 5800 OPM. Apply moderate pressure on initial 2-3 passes followed with light pressure for following two passes. Wipe off residue immediately after each panel.

Rotary application: Work one section at a time. Set rotary polisher to approximately 1000-1500 RPM's. Use with Meguiar's Soft Buff™ Rotary Foam Pads. Apply M205 Ultra Finishing Polish directly to the paint surface and begin working in a 2' x 2' area with overlapping passes. Continue working until light film remains. Do not buff dry. Wipe remaining residue with a Meguiar's M9910 Ultimate Wipe® Microfiber Cloth. For extreme gloss, apply with Meguiar's MT300 Professional Dual Action Polisher with a DFF5 or DFF6 Soft Buff™ DA Foam Finishing Disc.
