- ◀ High gloss, water beading durability
- ◀ Non-scratch, non-streak formula
- ◀ Quick and easy wipe off

**FOR PROFESSIONAL USE ONLY.
NOT INTENDED FOR RETAIL SALE.**

NOT BODY SHOP SAFE

MEGUIAR'S® RINSE FREE EXPRESS WASH & WAX is formulated to be used as an alternative to traditional washing on light to moderate dirty vehicles. Can be applied with traditional trigger sprayers or low pressure tank sprayers. Cleans and protects, without rinsing with water! Great way to minimize and conserve water, especially in locations where water restrictions and regulations exist.

DILUTION: 4:1 or up to 20:1

DIRECTIONS: For best results, apply to a surface that is cool to the touch.

1. Mix up to 4:1 ratio with clean water in a trigger sprayer or low pressure tank sprayer.
2. Spray product on surface one section at a time. Work from top to bottom of the vehicle.
3. Dry the section by using a clean dry Meguiar's® Supreme Shine™ Microfiber Towel. Immediately turn the towel to dry surface and lightly wipe to a deep gloss shine.
4. Repeat steps 2 – 3 above for each section of the vehicle.

PROFESSIONAL TIP: Dilute up to 20:1 for application in direct sunlight. Not to be used as a clay lubricant.

PRECAUTIONS: Avoid breathing of vapors, mists or spray. Use only with adequate ventilation. Do not swallow. Wash thoroughly after handling. Close container after each use.
