compositions with Tvu

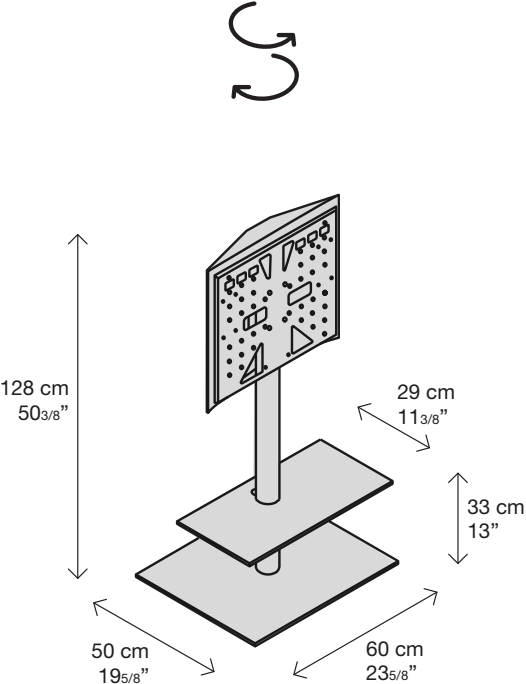

Tvu (metal)

TV stand element for flat screens, a rotating steel structure equipped with a compartment for housing cables.

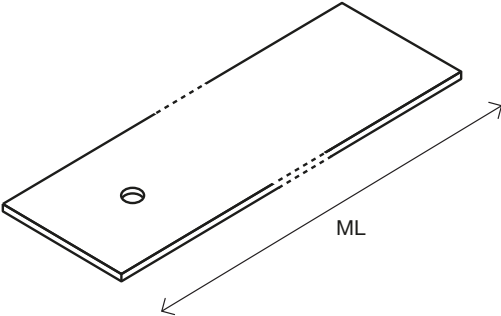

Tvu and Tvu with shelf elements must always rest on a bottom panel.

Tvu

Tvu with shelf

Bottom panel for compositions with Tvu in black melamine provided with rubber profile and adjustin feet

How to use Tvu

Standalone

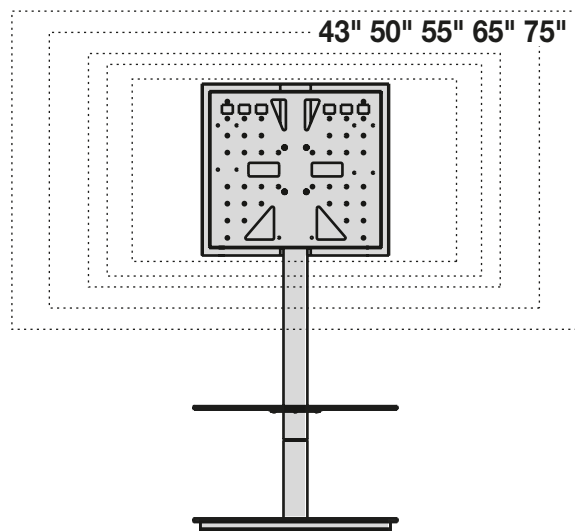

Combined with Avenue Cabinets

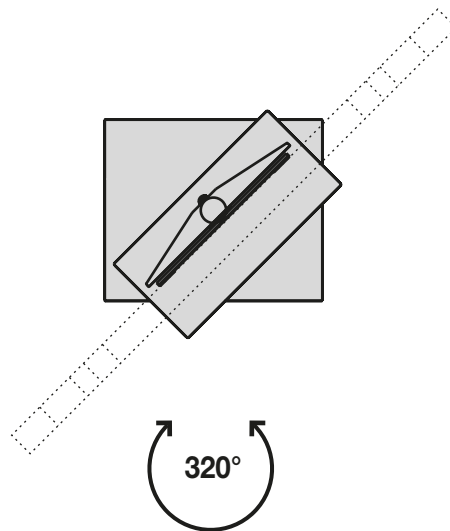

Tvu rotation

The maximum supported Tvu is 75", with a maximum weight of 40 kg.

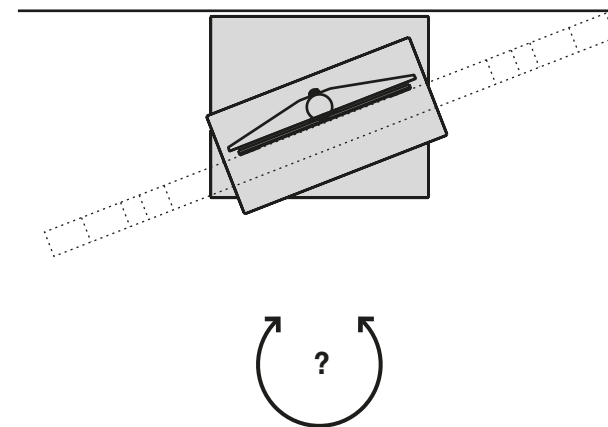

The Tvu's plate is compatible with various VESA drilling standards.

The rotation of the TV pole at room center is 320°.

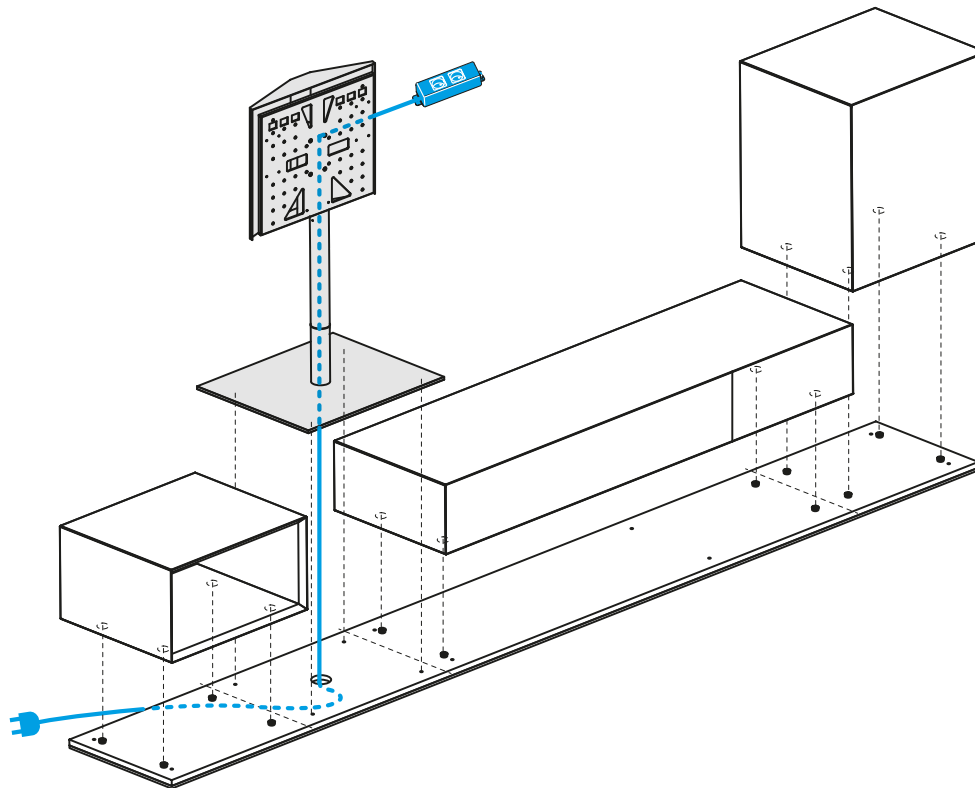

If the Tvu element is placed near a wall, the angle of rotation will be limited by the size of the TV set.

Tvu installation

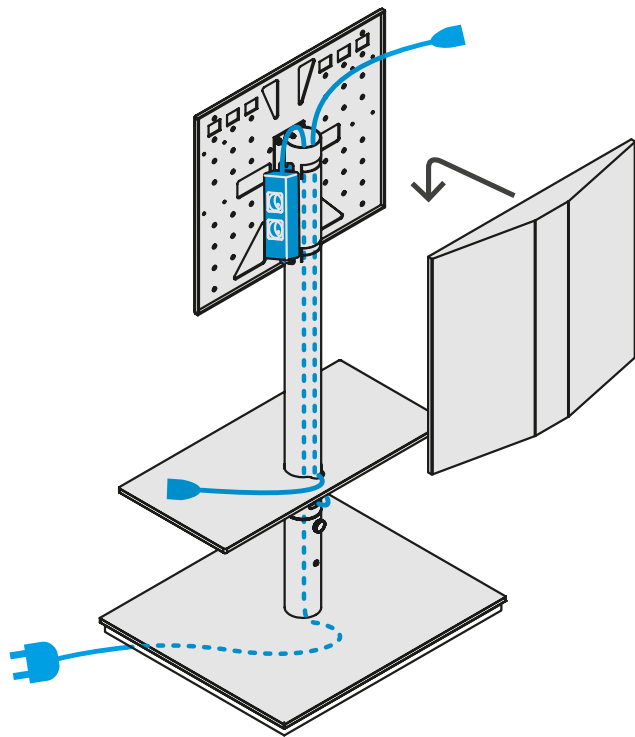

Tvu and Tvu with shelf elements must always rest on a bottom panel.

If they are combined with Avenue Cabinets elements, the bottom panel, calculated per linear metre, must be ordered according to the width of the composition (sum of the elements). Alternatively, if they are single elements, the bottom panel must be 0.60 linear metres.

Press-fit fastening system of the Avenue Cabinets elements to the bottom panel.

Tvu electrification

The bottom panel has a hole at the pole, allowing the cables to pass underneath it and run in the air space below, created by the adjustable feet.

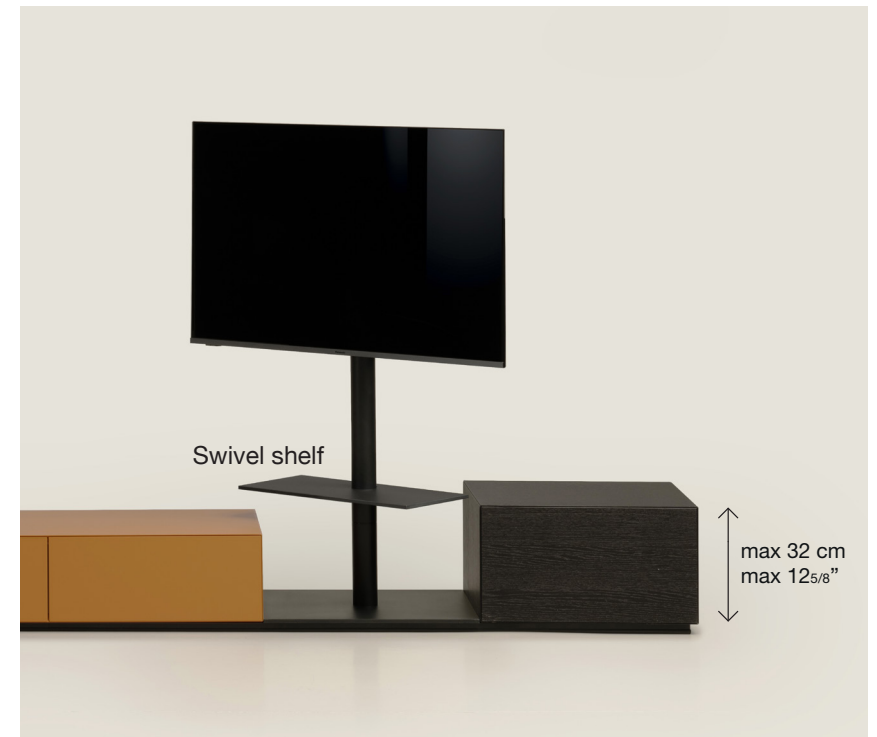

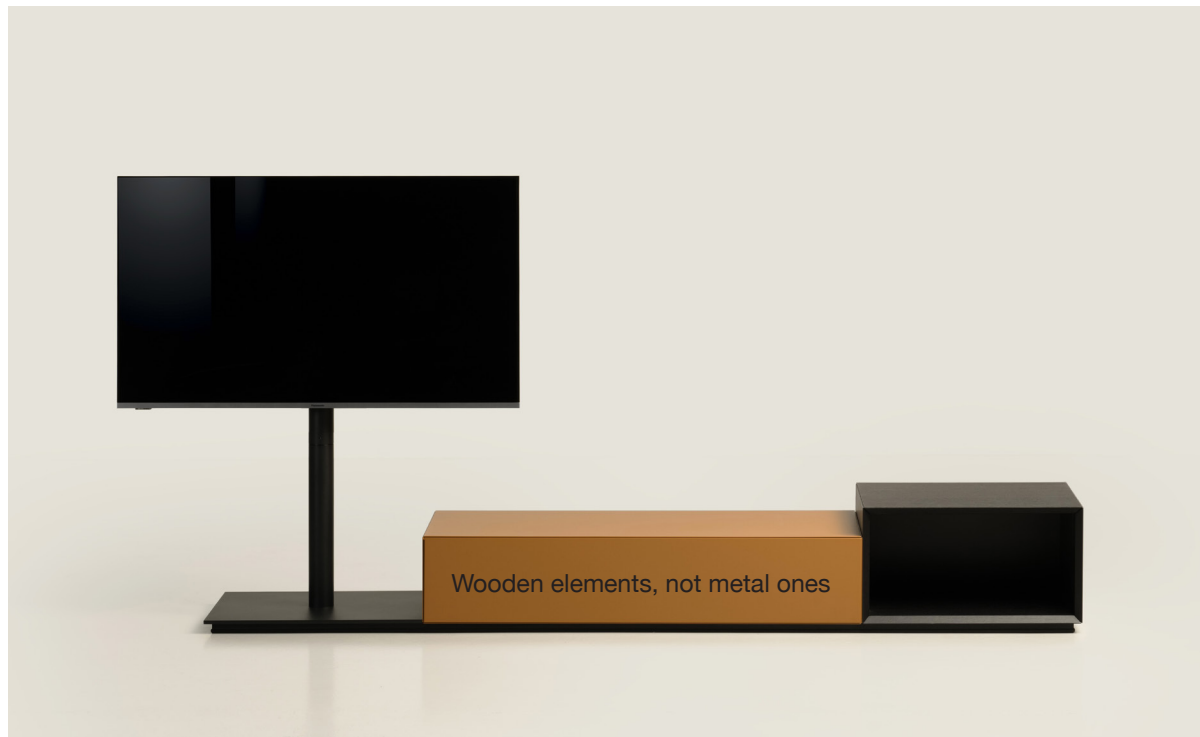

Rear cover casing.

Tvu construction rules

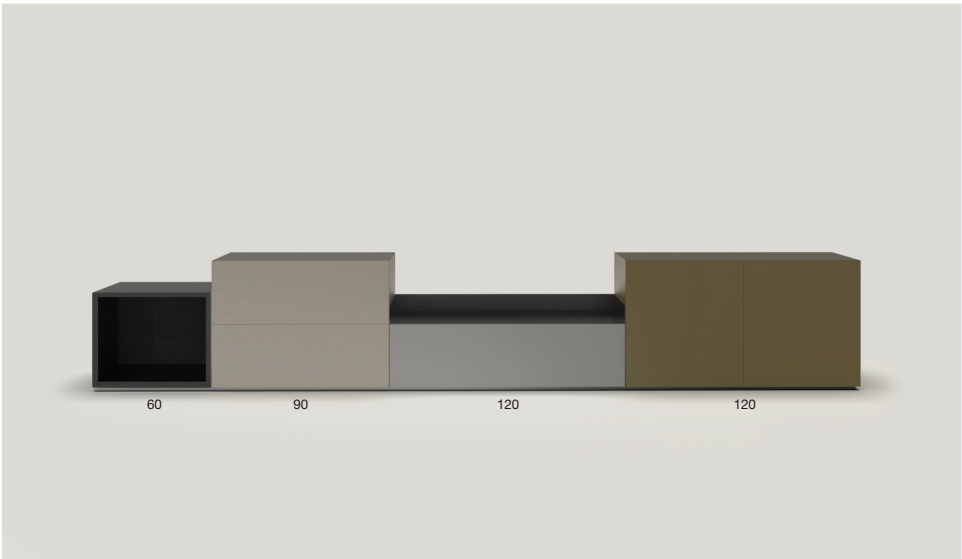

No metal elements can be attached to the bottom panel.

The shelf rotates together with the TV pole.

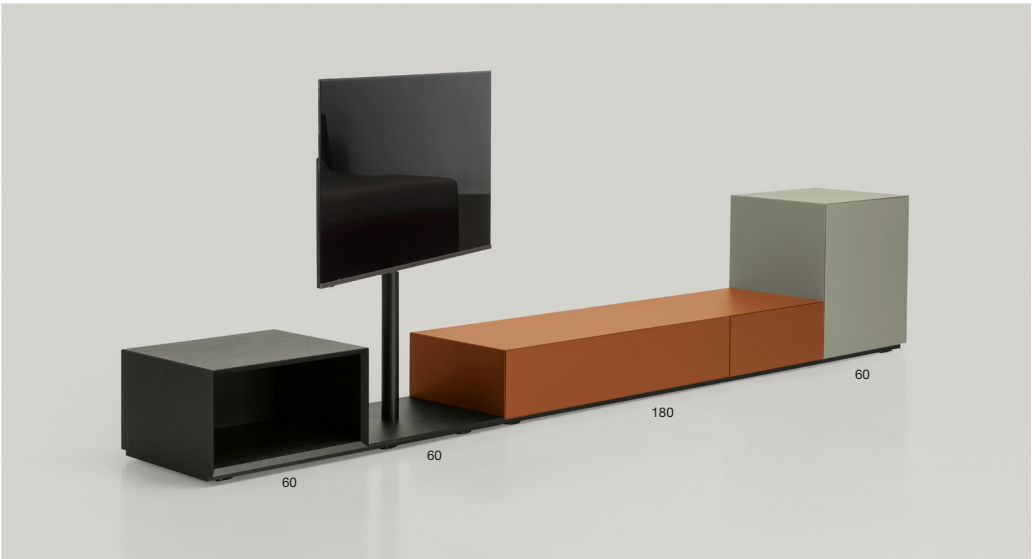

In the case of compositions with side-by-side elements of Avenue Cabinets, the elements may have a height of H.24 cm and H.32 cm, but not superior.

Examples of composition

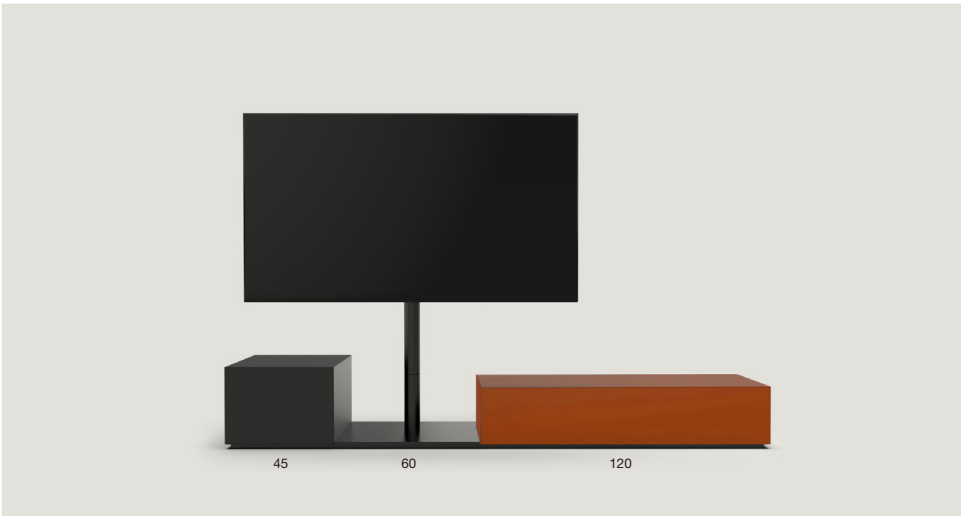

LHP 390 x 64 x 50 cm

LHP 360 x 64 x 50 cm

LHP 240 x 32 x 50 cm

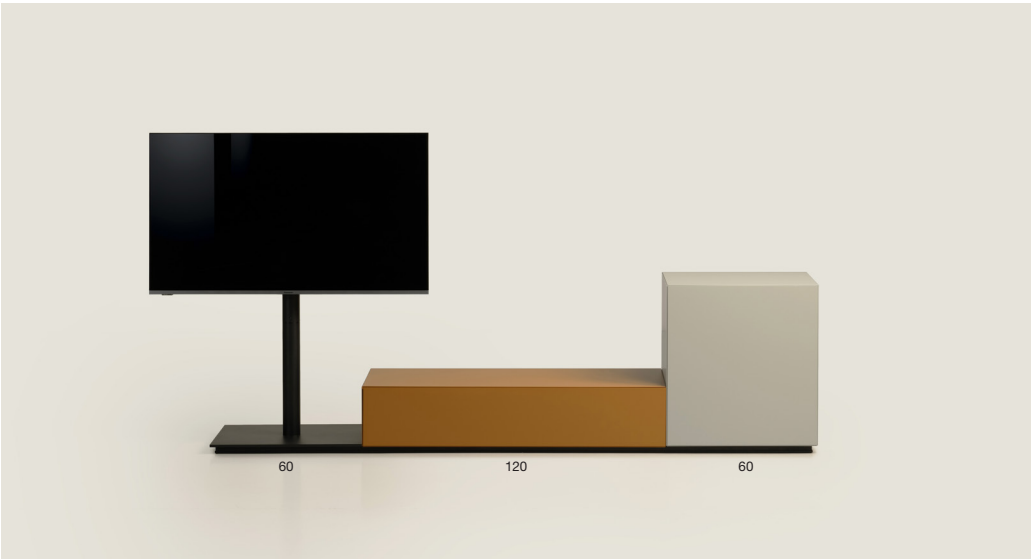

LHP 225 x 32 x 50 cm

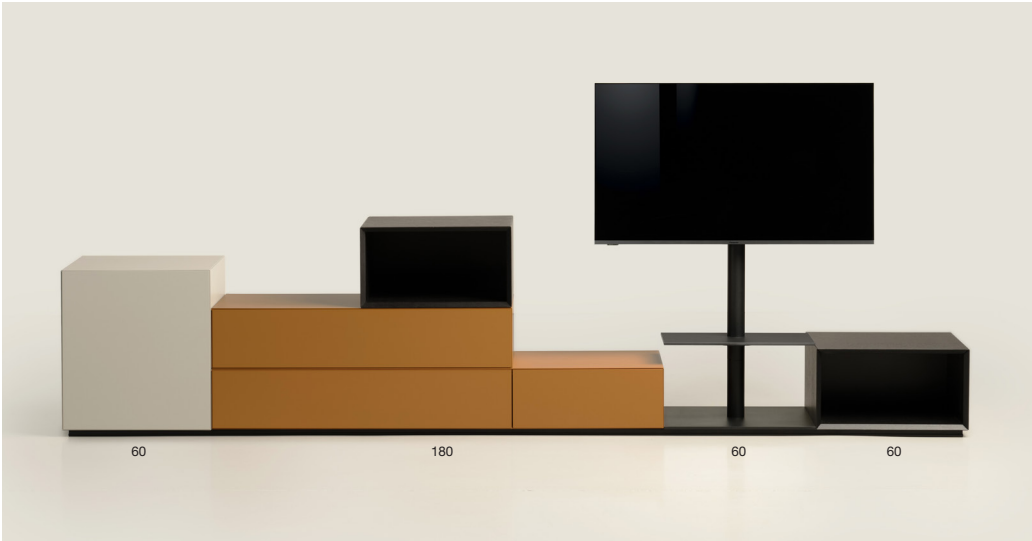

Examples of composition

LHP 240 x 32 x 50 cm

LHP 240 x 64 x 50 cm

LHP 360 x 80 x 50 cm

LHP 360 x 64 x 50 cm

Examples of composition

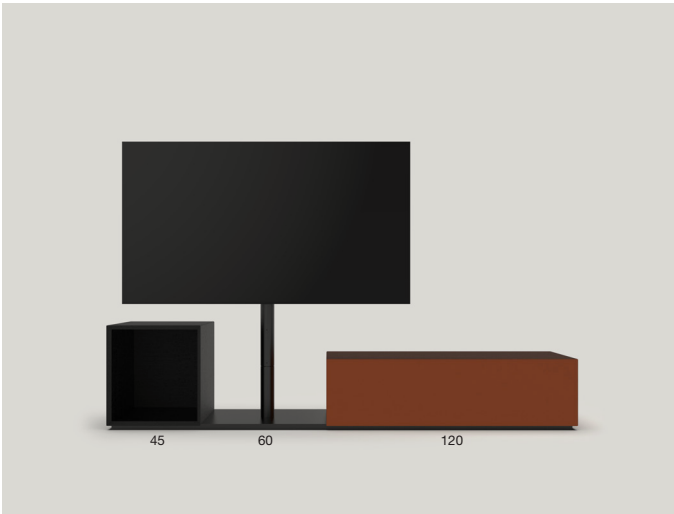

LHP 120 x 32 x 50 cm

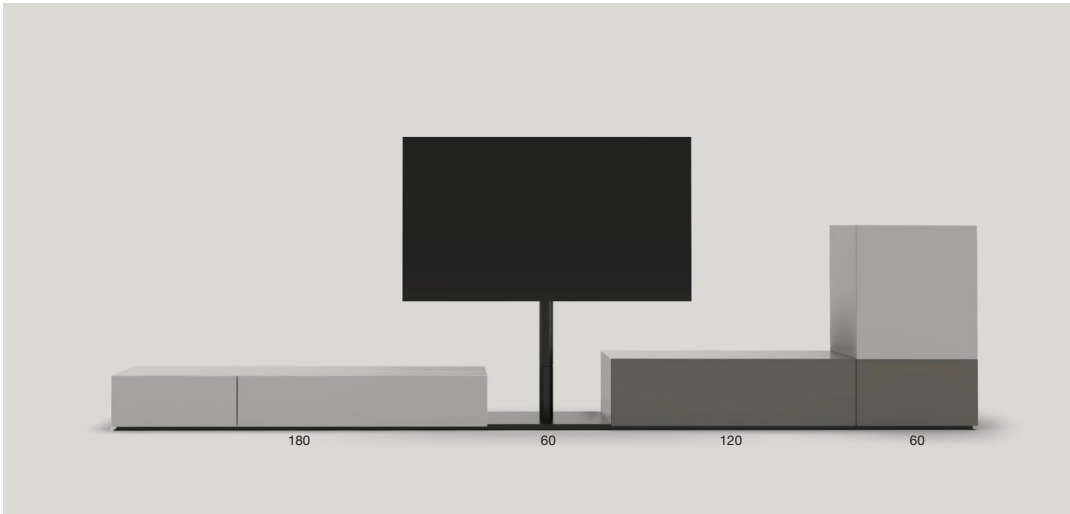

LHP 180 x 24 x 50 cm

LHP 150 x 48 x 50 cm

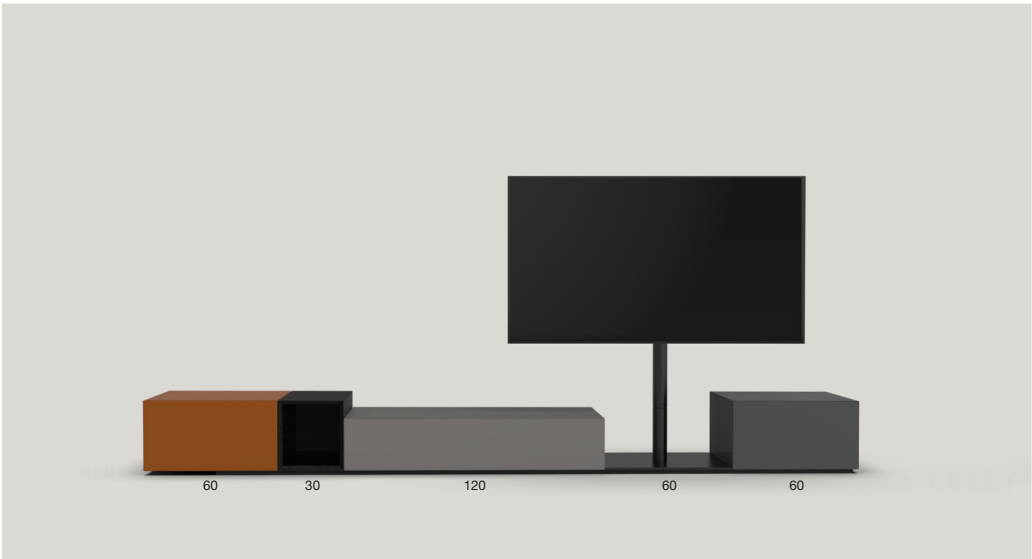

LHP 225 x 48 x 50 cm

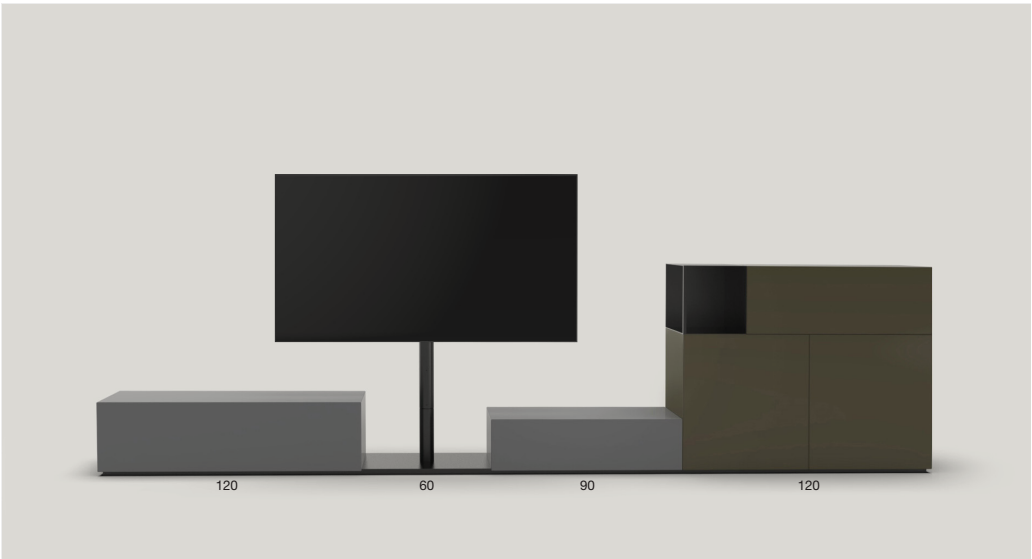

LHP 420 x 96 x 50 cm

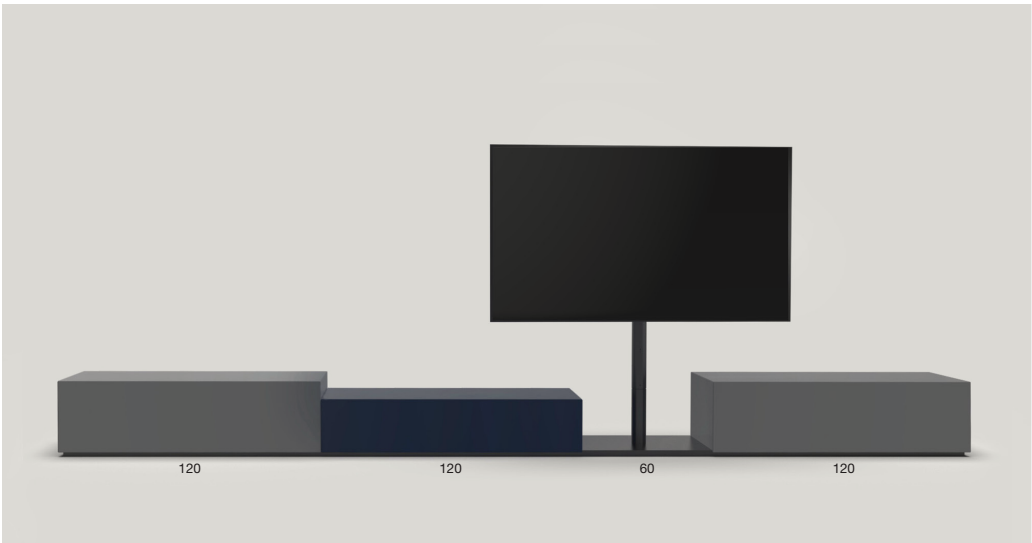

Examples of composition

LHP 330 x 32 x 50 cm

LHP 390 x 96 x 50 cm

LHP 420 x 32 x 50 cm

LHP 390 x 56 x 50 cm

Examples of composition

LP 480 x 50 cm
