
COLORS

Hello future global citizen! This printable pack comes with a fun color vocabulary activity.

POPSICLE FLASHCARD CRAFT

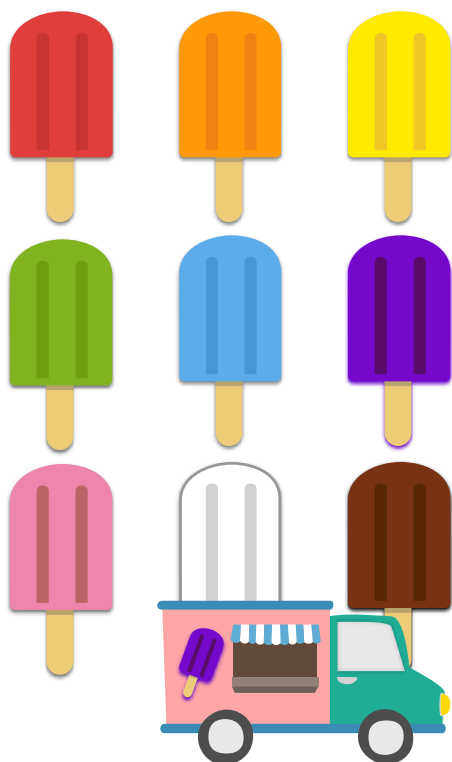

Ready to craft? Cut out the popsicles on pages 2-5, match and glue them together to have a 2 sided popsicle craft that also doubles as flashcards.

We've included a bonus popsicle truck on Page 6. Extend your craft play and operate a popsicle truck!

Got any popsicle sticks? Cut out the popsicle tops and glue them onto real popsicle sticks for longer lasting fun.

Black & White Version

Page 7-11 are the printer friendly versions of this color vocabulary activity.

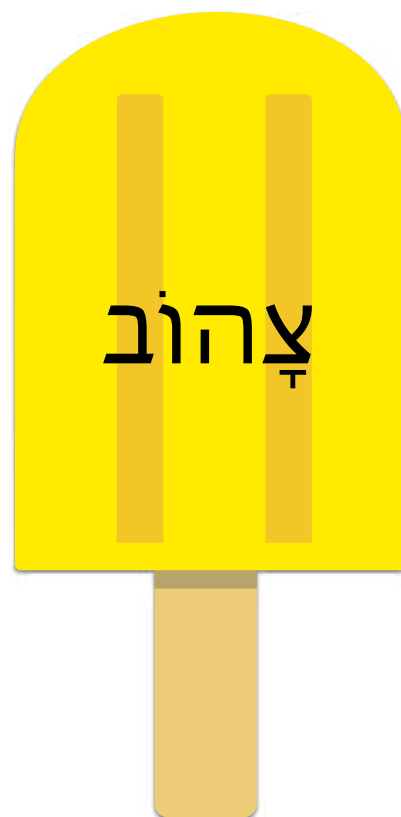

Gus on the Go

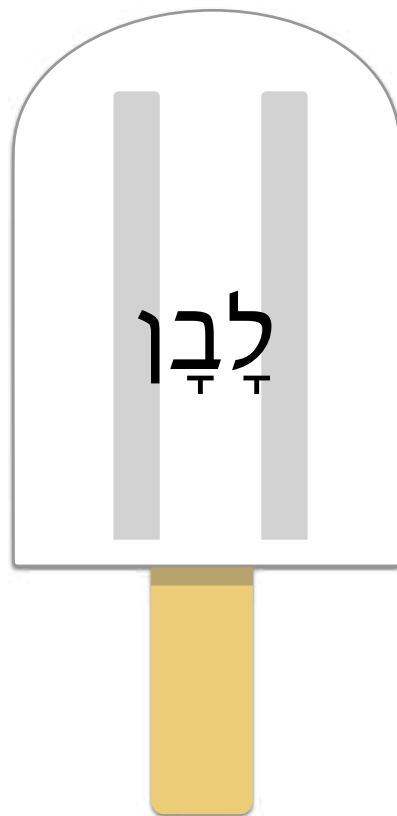

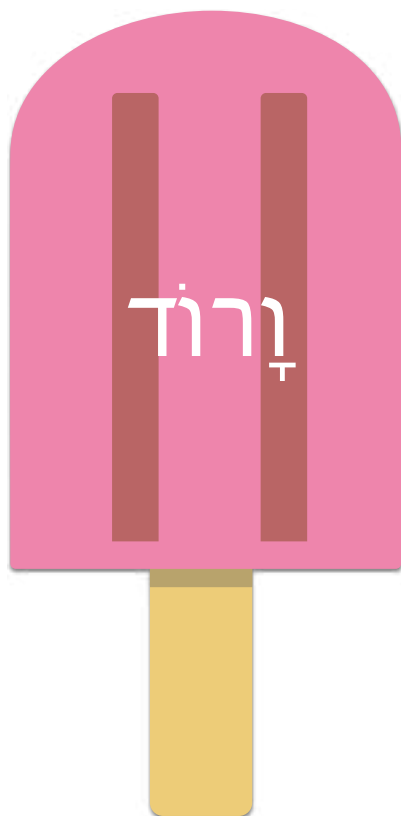

This color language printable was created as a companion resource to our Gus on the Go language apps. Download to learn more vocabulary and play games!
