Catalonia, a host region

Catalonia is a nation situated in the northeast of Spain. It borders the Mediterranean Sea to the east, France and Andorra to the north, Aragon to the west and Valencia to the south. Historically, this land has always received people coming from other cultures that have contributed to building its identity. This is why those who choose this land to live in are very welcome and encouraged to learn and share our customs and our language, Catalan.

Catalonia has more than seven and a half million inhabitants distributed among 947 municipalities. It has two administrative forms of territorial division: Catalan administrative division, with 41 counties ("comarques"), and the Spanish state administrative division, with 4 provinces: Barcelona, Girona, Lleida and Tarragona. The city of Barcelona is the capital of Catalonia and the second biggest city in Spain, both in extension and in the number of inhabitants.

Catalan society and culture have developed on the basis of exchanges of ideas, customs and people, due to a long history of migrations and trade with other cultures and nations, a consequence of its location in the Mediterranean. Catalan society enjoys recognized prestige because of its institutions, its culture, its own language (Catalan) and its traditions.

History, culture and a thousand-year history¹

Catalan culture is the main symbol of Catalan identity. It is in permanent evolution and it is being enriched with its habits and traditions of those who have chosen Catalonia as their place of residence.

Catalonia has a historic and artistic legacy, which comprises the Iberian, Greek and Roman past and achieves its maximum splendour with the Romanesque art and with Modernism, whose most important exponent is Antoni Gaudí.

Popular festivals or traditions, such as *Patum de Berga* or human towers, *castellers* (both have been declared UNESCO Human Heritage) reaffirm the cultural identity of Catalonia. Other celebrations, such as *Onze de Setembre*, the 11th of September, Catalonia's national day, or *Sant Jordi*, consolidate a long tradition of public celebrations.

Catalan was born as a Romance language between the VIII and the X centuries. The first written texts date back from the end of the XI century and in the XIII century, with Ramon Llull, Catalan achieves the status of a literary language.

The language enjoyed its time of splendour during the Medieval times. Later the pre-eminence of Castilian as a language of culture provoked its literary decadence. Under the dominance of the Bourbon dynasty (1712), and as consequence of the defeat of the Catalan people in the War of Succession, the situation became rather dramatic, Catalan being banned and excluded from teaching and public domain.

In the XIX century begins the period known as *Renaixença*, and then Catalan is claimed as a prestigious language. This recovery had its peak with Pompeu Fabra, who compiled the official grammar in the year 1916 and the General Dictionary of the Catalan Language in 1932.

With the return of the democracy in 1977, the claim of use and respect towards the Catalan language has become a leitmotiv in the citizens' movements in Catalonia.

Catalan is the fundamental feature of the Catalan identity and key to social cohesion. Therefore its learning and command is of utter importance for newcomers in Catalonia, so they can communicate in the language specific to the host country. Furthermore, it encourages the familiarization with a new environment and allows the autonomy in different areas, such as work environment, personal relationship and citizen participation.

The Catalan language

Catalan is a Romance language, as are Spanish, French, Italian, Romanian and Portuguese, among others. It was developed between the VII and IX centuries. Currently it is spoken in Catalonia, in the Balearic Islands, in the eastern strip of Aragon and in the Valencian Community, where it receives the denomination of "Valencian". It is the only official language in Andorra, and it is also spoken in part of the south of France and in the town of Alghero (L'Alguer), on the Italian island of Sardinia. Currently the number of Catalan speakers is approximately 10 million.

Catalan is the language originally spoken in Catalonia and is now official, together with Spanish and Occitan.

There are around 6000 spoken languages in the world. Catalan is among the first 100 languages in terms of the number of speakers. Compared to the 24 official languages of the European Union, Catalan is the ninth language in terms of speakers. Nowadays about 162 universities and other educational centres around the world offer Catalan lessons.

In recent years, due to the arrival of people from other countries, a significant number of different languages can be heard on the streets of Catalonia. Currently there are over 180 nationalities in Catalonia, and more than 270 languages are spoken.

Why is it important to learn Catalan?

Command of Catalan language allows newcomers to step into many different environments of the everyday life.

Speaking Catalan is valued very positively and can contribute to professional promotion. In some companies speaking Catalan is a mandatory requirement and if one has their own business, knowing Catalan will allow them to offer better services to those clients who speak it.

Catalan is the vehicle language in education: it is the language of communication and learning process in all the education centres. Knowing Catalan will help our children in their learning process and taking further our education.

Speaking Catalan will facilitate us with the knowledge of the environment, understanding the host society and the way different services work. It will also allow to expand the network of friends and social acquaintances.

Catalan people value very positively that newcomers make an effort in understanding Catalan and are happy to see them as new citizens of Catalonia, learning the language of the host country.

Materials for language reception

The materials for language reception presented here allow newcomers to understand and practice everyday sentences. We invite you to use the Catalan language and we show you a set of phrases that will help you in this learning process.

If you have not understood something you have been told, you can say:

M'ho pot repetir, si us plau?

Can you repeat it, please?

To ask someone to speak a little bit slower, you can say:

M'ho pot dir més a poc a poc, si us plau?

Can you say it slower, please?

To say that you have not been here for not very long, you can say:

Fa poc temps que he arribat, pot parlar més a poc a poc?
I have not been here for a very long time, can you speak more slowly?

Like the English language, Catalan also has certain dialects and a standard version. In this guide we will be using the standard variant of Catalan and the standard version of English, taking into account the oral register of native speakers.

**PRINCIPALS
DIFERÈNCIES
ENTRE EL CATALÀ I
L'ANGLÈS**

**THE MAIN
DIFFERENCES
BETWEEN CATALAN
AND ENGLISH**

Alphabet

As we have mentioned previously, Catalan is a Romance language, which evolved from the common Latin.

Catalan alphabet has twenty-six letters (five vowels and twenty-one consonants), as well as English, and they both are based on the same letters that are found in the ISO basic Latin alphabet.

Catalan has 5 vowels - **A, E, I, O, U** - that represent 8 sounds:

A
A/E (neutral)
E (open)
E (close)
I
O (open)
O (close)
U

As many other languages in the world, Catalan has a schwa sound or neutral vowel. The schwa sound occurs in a weak prosodic position (unstressed) and is in its essence an intermediate sound between an **E**

All the information contained in this book can be found on the website of the Directorate General for Language Policy: <http://www.gencat.cat/llengua/viure/angles>

and an **A**, like the sound represented by **E** in *farmer* or *Ernest*. In Catalan it can be represented either as **A** or as **E**.

The consonants in Catalan are:

B C D F G H J K L M N P Q R S T V W X Y Z

The complete alphabet is this one:

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

Main traits of Catalan consonants

- A graphic difference between the letters **B** and **V**, though they are mainly pronounced in a same way.
- The letter **C**, which is pronounced as the letter **S**.
- The letter **D** at the end of the word, which is pronounced as the letter **T**.

There are also consonant groups, which form certain sounds, such as:

- **L·L**, called “ela geminada” and pronounced as a double **L**, first one and then another, in words like:

PEL·LÍCULA	FILM
SOL·LICITUD	APPLICATION
PARAL·LEL	PARALLEL

- **NY**, which has a similar sound as **N** and **I** together.

SENYORA	MADAM
----------------	-------

- **TX** or **IG**. The two forms have the same phonetic value and correspond to the combination of two letters in English, **CH** (as in “cheese”). For example, in:

DUTXA	SHOWER
DESPATX	OFFICE
MAIG	MAY
MIG	MIDDLE

- **IX**, similar to the English sound **SH** (as in “ship”):

PEIX	FISH
CAIXA	BOX, TILL
QUEIXAL	MOLAR

- **SS**. In Catalan we make a distinction between a voiceless s, which sounds like the S of *speak*, and a voiced s, equivalent to the first **S** of “roses” or the **Z** of “zebra”. For example:

TERRASSA	TERRACE
CASA	HOUSE

The apostrophe

In Catalan the masculine singular article **EL** and the feminine singular **LA** are apostrophed **L'** when placed in front of a word starting with a vowel or **H**.

But **LA** is not apostrophed when the following word starts with **I** / **U** or with **HI** / **HU** in a non stressed position.

EL + ARBRE	L'ARBRE	THE TREE
EL + HOME	L'HOMÈ	THE MAN
LA + AMPOLLA	L'AMPOLLA	THE BOTTLE
LA + UNGLA	L'UNGLA	THE NAIL (stressed)
LA + UNIVERSITAT	LA UNIVERSITAT	THE UNIVERSITY (non stressed)
LA + ILLA	L'ILLA	THE ISLAND (stressed)
LA + INFERMERA	LA INFERNERA	THE NURSE (non stressed)

The preposition **DE** is also apostrophed **D'** when it goes in front of a word beginning with a vowel or **H**.

DE + AVUI	D'AVUI	OF TODAY
DE + HORA	D'HORA	EARLY

Accentuation

In Catalan there are two types of accent, grave (`) and acute (').

The vowel **A** always bears a grave accent: à / À

If a letter **I** or a **U** need to be accentuated, the accent is always acute: í / Í; ú / Ú.

In order to know when the vowels **E** and **O** need to be accentuated, it is important to pay attention to the pronunciation. If it is an open **E** or **O**, they should bear a grave accent: è / È; ò / Ò. If it is a closed **E** or **O**, they should bear an acute accent: é / É; ó / Ó.

There is a number of words that should always be accentuated in the same manner, for example:

- Numerals:

SISÈ (THE SIXTH), DESÈ (THE TENTH), VINTÈ (THE TWENTIETH)...

- Demonyms (names of residents of a locality):

ANGLÈS (ENGLISH), PORTUGUÈS (PORTUGUESE)...

Diaeresis

In Catalan the diaeresis is written over the letter **U** when it follows **G** or **Q** and it recedes **E** or **I** to make sure the **U** sounds:

<u>LA QÜESTIÓ</u>	THE QUESTION
<u>LES AIGÜES</u>	THE WATERS

We also use diaeresis when two vowels together (one of which is an **I** or a **U**) do not form a diphthong, but cannot take a graphic accent.

<u>EL RAÏM</u>	THE GRAPES
<u>LLUÏSA</u>	LOUISE

Graphemes of voiceless s

A voiceless s is represented graphically in different ways, according to its position: in the beginning, in the middle or at the end of the word, and it can be represented by the following graphemes: **S**, **SS**, **Ç** and **C**.

In the beginning of the word:

- Always **S** in front of the letters **A**, **O**, **U**:

LA SABATA	THE SHOE
EL SOROLL	THE NOISE
EL SURO	THE CORK

- In front of an **E** or **I** it can be spelled as **C** or **S**:

SENCER	WHOLE
LA SIVELLA	THE BUCKLE
EL CEL	THE SKY
LA CIGARRETA	THE CIGARETTE

In the middle of the word:

- Between the vowels it is normally spelled as **SS**, **Ç** or **C**:

LA CASSOLA	THE PAN
L'ABRAÇADA	THE HUG
LA NATACIÓ	SWIMMING

- Between a consonant and a vowel it is spelled as **S**, **Ç** (in front of **A**, **O**, **U**) or **C** (in front of **E** or **I**):

LA PANSA	THE RAISIN
L'ADREÇA	THE ADDRESS
LA CANÇÓ	THE SONG
EL LLUÇ	THE CODFISH
CENT	ONE HUNDRED
L'ENCIAM	THE LETTUCE

- Between a vowel and a consonant, it is always spelled as **S**:

ESCAS	SCARCE
LA PISTA	THE TRACK, THE HINT

At the end of the word:

- Always **S** or **Ç**:

L'ARRÒS	THE RICE
EL LLAC	THE LACE

Graphemes of voiced s

Voiced s sound (like the buzzing of a bee) can only be found in the beginning and in the middle of a word and can be represented by the graphemes **S** and **Z**.

In the beginning of the word:

- Always represented with a **Z**:

EL ZERO	THE ZERO
LA ZONA	THE ZONE

In the middle of the word:

- Between vowels, it is almost always spelled as **S**:

LA CASA	THE HOUSE
LA CAMISA	THE SHIRT

- Between a consonant and a vowel, it is spelled as **Z**:

EL COLZE	THE ELBOW
EL PINZELL	THE BRUSH

- Between a vowel and a consonant, in turn, it is always spelled as **S**:

LA MESTRA	THE TEACHER
ESBORRAR	TO ERASE

The use of a hyphen for the correct spelling of numerals

A hyphen is used between the tenths and the hundredths and between the units and the hundredths.

TRENTA-UN	THIRTY-ONE
SEIXANTA-SET	SIXTY-SEVEN
CENT VUITANTA-TRES	ONE HUNDREN EIGHTY-THREE

- Numerals from 21 to 29 are spelled with two hyphens:

VINT-I-UN	TWENTY-ONE
VINT-I-QUATRE	TWENTY-FOUR
VINT-I-VUIT	TWENTY-EIGHT

Pronouns

In Catalan, apart from the personal pronouns (**JO, TU, ELL o ELLA, NOSALTRES, VOSALTRES, ELLS o ELLES**), there are several so-called weak pronouns. Three of the most frequently used are:

- Pronoun **EN**

MENJO PATATES	EN MENJO
I EAT POTATOES	I EAT SOME
AGAFO TRES ENTRADES	N'AGAFO TRES
I BUY THREE TICKETS	I BUY THREE OF THEM

- The pronoun **HO**

PORTA'M AIXÒ	PORTA-M'HO
BRING ME THIS	BRING IT TO ME
FES EL QUE ET DIC	FES-HO
DO AS I SAY	DO IT

- Pronoun **HI**

PENSA EN LA NOTÍCIA	PENSA-HI
THINK ABOUT THE NEWS	THINK ABOUT IT
VAIG A BARCELONA	HI VAIG
I AM GOING TO BARCELONA	I AM GOING THERE

Verbs in Catalan

In Catalan there are three verbal conjugations.

- Verbs of the first conjugation end in **AR**:

CAMINAR	TO WALK
---------	---------

- Verbs of the second conjugation end in **ER** and in **RE**:

NÉIXER	TO BE BORN
VEURE	TO SEE

- Verbs of the third conjugation end in **IR**:

CONDUIR	TO DRIVE
---------	----------

The way of telling the time

In Catalan the quarters of the hour are used, but we always speak about the upcoming hour and not about the passed one.

Hours	In Catalan	English
4.15	UN QUART DE CINC	A QUARTER OF THE FIFTH HOUR OR A QUARTER PAST FOUR
5.30	DOS QUARTS DE SIS	TWO QUARTERS OF THE SIXTH HOUR OR HALF PAST FIVE
6.45	TRES QUARTS DE SET	THREE QUARTERS OF THE SEVENTH HOUR OR QUARTER TO EIGHT

PLACES

Dialogue A

- Do you know if there's any chemist's nearby?
 - No, I am sorry, I don't know. On this corner there is a tobacco shop. You can ask there.
 - Thank you. Goodbye.
-

Dialogue B

- Excuse me, we are bringing the shopping bags from the supermarket to Miss Arriaga... Do you know where she lives?
 - Further down. I think she lives at number 18 on the same street. This is number 8.
-

Dialogue C

- How do you go to work?
- I take the metro to Sants station and then the train to Rubí. There is a good transport combination.
- How many metro stops are there?
- Six, but without transfers.

Diàleg D

- M'agradaria visitar el museu Dalí. Com s'hi va?
 - És una mica lluny. Pot anar-hi amb autocar o bé amb tren. El viatge dura una hora i mitja.
-

Diàleg E

- Senyoreta, on vol que li deixi les begudes?
- Directe al magatzem, si us plau. Aquí no hi cap res més.
- D'acord.
- Esperi's que farem lloc. Els refrescos, me'l posa darrere la porta. Les ampollles d'aigua, deixi-les sota l'escala. El vi, posi'l a la prestatgeria del mig i... porta alguna cosa més?
- De moment, no.

Dialogue D

 - It's a little bit far. You can go by bus or by train. It takes one hour and a half.
-

Dialogue E

- Excuse me, Madam, where would you like me to leave the drinks?
- Directly in the warehouse, please. It's impossible to fit anything else here.
- Alright.
- Let me make some room, just a second. Please put the soft drinks behind the door. The bottles of water, under the staircase. The wine should go on the middle shelf... is there anything else?
- That's all so far.

LA CASA I L'ENTORN

Diàleg A

- Bon dia. Voldria un pis de lloguer.
 - Com ha de ser?
 - No gaire car. Necessito un pis moblat, de dues habitacions i que estigui a prop del centre.
-

Diàleg B

- I tu, on vius?
- Abans vivia en una casa petita de planta baixa amb jardí. Ara visc en un àtic.
- Fa gaire?
- No. M'hi acabo d'instal·lar. És aquí mateix, al capdavall d'aquest carrer.
- Quina gràcia! Som veïns. Si necessites res, ja ho saps.

THE HOME AND THE ENVIRONMENT

Dialogue A

- Good morning. I would like to rent a flat.
 - How would you like it?
 - Not very expensive. I need a furnished flat, with two rooms, close to the city centre.
-

Dialogue B

- And where do you live?
- I used to live in a small one storey house with a garden. Now I live in a penthouse.
- Have you been living there for a long time?
- No. I've just moved in. It's right here, at the end of this street.
- What a coincidence! We are neighbours. If you need anything, you know where to find me.

Diàleg C

- Vinc a veure el pis.
 - Endavant, l'estàvem esperant.
 - Passi, passi.
 - Que bonic! Quina terrassa més gran!
 - Li agrada? A l'estiu hi sopem cada dia.
-

Diàleg D

- Fa gaire que s'esperen?
- No, uns deu minuts.
- Em sap greu. He vingut abans però m'havia equivocat de clau. L'he hagut d'anar a buscar a l'oficina. Quin cap!
- No s'hi amoïni. Podem passar per veure el pis?
- És clar que sí. De seguida.
- Quantes habitacions té?
- Tres, dues de grans i una de petita. Sense comptar el menjador, la cuina i el lavabo.
- I totes les finestres són exteriors?
- No, l'habitació del mig dóna al celobert, i el lavabo té una finestra que dóna a una sortida d'aire.
- El menjador és molt gran...
- I fixi's quina claror! Hi toca el sol tota la tarda.
- És veritat, no hi deu fer gaire fred.
- A més, té calefacció central. Està molt ben equipat.
- Sí, però, miri, hi falta una mà de pintura... Ah!, i cal donar d'alta el llum i el gas, oi?

Dialogue C

- I have come to see the flat.
 - Come in, we have been waiting for you.
 - Come in, come in.
 - It's so pretty! The terrace is so big!
 - Do you like it? In the summer we have dinner here every day.
-

Dialogue D

- Have you been waiting for a long time?
- No, about ten minutes.
- I am sorry. I came before, but I had brought the wrong key. I had to go to the office to get it. I'm so absent-minded!
- Don't worry. Can we come in to see the flat?
- Yes, of course. Right away.
- How many rooms does it have?
- Three, two big and one small. Plus the dining room, the kitchen and the bathroom.
- Do all windows face the street?
- No, the room in the middle has the window facing the courtyard, and the bathroom has a little window facing the air outlet.
- The dining room is very big...
- And have a look at all this light! The room is sunlit the whole afternoon.
- It's true, it must not be very cold here.
- There is central heating too. It is very well equipped.
- Yes, but it probably needs a layer of paint... Right, and also I should connect the electricity and gas.

Diàleg E

- Digui?
- Truco per l'anunci de l'habitació que es lloga.
- Sí, miri: no és gaire gran però està tota moblada.
- Que hi ha cadires?
- No n'hi ha, però hi ha dues butaques molt còmodes.
- Té armari?
- Sí, un de ben gros, amb penja-robes i calaixos. També hi ha un llit individual.
- Quan la puc veure?
- Vingui quan vulgui.

Dialogue E

- Hello?
- I am calling about the room for rent.
- Yes, sure: it's not very big, but it's fully furnished.
- Are there any chairs?
- No, there aren't, but there are two very comfortable armchairs.
- Does it have a wardrobe?
- Yes, quite a big one, with coat hangers and drawers. There is also a single bed.
- When could I come and see it?
- You can come whenever you like.

LES HORES I ELS DIES

Diàleg A

- A quina hora es lleva normalment?
- A les set, quarts de vuit.
- A quina hora esmorza?
- De seguida, després de dutxar-me i vestir-me.
- I després què fa, al matí?
- Vaig a comprar o m'estic a casa fins a les dues, que dino.
- I a quina hora comença a treballar?
- Faig el torn de tarda.
- Doncs podria venir de 9 a 11, si li sembla. Recordi que les classes sempre comencen en punt.

Diàleg B

- Hola. Sóc la Gemma Solé, tenia hora per avui, però no em va bé. Puc canviar-la per demà?
- Un moment que ho miro. Demà no pot ser. Li va bé dilluns que ve a la mateixa hora?
- A la mateixa hora no puc. Pot ser més aviat?
- A dos quarts de quatre, si vol.

HOURS AND DAYS

Dialogue A

- What time do you normally get up?
 - At seven, a quarter past seven.
 - At what time do you have breakfast?
 - Straight away, after I have a shower and dress up.
 - And what do you do afterwards in the morning?
 - I do some shopping or stay at home until about two, when I have lunch.
 - What time do you start working?
 - I work in the afternoon.
 - So you could come from 9 until 11, if it suits you. Remember that lessons always start on time.
-

Dialogue B

- Hello. I am Gemma Solé, I have an appointment for today, but I can't make it. Can I change it for tomorrow?
- Just a second, I'm going to have a look. No, tomorrow it is impossible. Could you make it next Monday at the same time?
- I can't come at the same time. Could it be a little bit earlier?
- At half past three, if you like.

Diàleg C

- Avui he tingut molta feina. Estic morta. He arribat al despatx a les vuit i no he parat fins a l' hora de plegar.
 - A quina hora has dinat?
 - A dos quarts de dues. Però només he tingut temps de menjar un entrepà en cinc minuts, i tornar-hi! Tinc una gana...
-

Diàleg D

- Senyor Mc Kay... repassem l'agenda? Divendres és el dia que va a Milà.
- Divendres? Em pensava que hi anava dijous.
- Dijous és festa, 24 de juny, Sant Joan.
- Ah, sí! No me'n recordava.
- A veure, li he reservat un bitllet per al vol de tres quarts de deu.
- Tan d'hora?
- Vostè es lleva sempre d'hora, cap a les set. Si va ràpid a esmorzar, crec que el pot agafar sense problemes.
- És cert, a més amb un taxi arribo a l'aeroport en un quart d'hora.
- És clar. A veure... Arriba a les onze a Milà i el senyor Perrier l'espera al centre a un quart de dotze.
- I el dinar on es fa?
- Allà mateix, amb tothom.
- Està molt bé.
- Havent dinat, cap allà a les dues, està prevista la visita a la fàbrica i a les set el vol de tornada a Barcelona.
- Així podré sopar tranquil·lament a les nou a casa.

Dialogue C

- I have been very busy today. I am exhausted. I have come to the office at eight and have not stopped working until it was time to leave.
 - What time have you had lunch?
 - At half past one. But I only have had time to have a quick sandwich in five minutes and then back to work! I am so hungry...
-

Dialogue D

- Mister Mc Kay...can we go through the planning again? On Friday you are going to Milan.
- Friday? I thought I was going on Thursday.
- Thursday is a bank holiday, 24th of June, Sant Joan.
- Oh, right! I've completely forgotten.
- Let's see, I have booked you a flight at quarter to ten.
- So early?
- You always get up early, about seven. If you have a quick breakfast, I think you can easily catch it.
- That's true. Besides, if I take a taxi, I can be at the airport in fifteen minutes.
- Sure. Let's see.... You get to Milan at about eleven and Mister Perrier expects you in the centre at a quarter past eleven.
- And where is the lunch?
- Right there, with everyone.
- Fantastic.
- After lunch, at about two o'clock you have a guided tour to the plant and your return flight to Barcelona is at seven.
- This way I can have a relaxed dinner at home at nine.

LA FEINA

Diàleg A

- Bon dia, què li passa al cotxe?
 - Té una roda punxada.
 - De seguida la canviem.
 - Doncs m'espero
-

Diàleg B

- Quan estarà llest?
 - D'aquí a vint minuts.
 - Vaig a fer un encàrrec i torno.
 - D'acord, fins ara.
-

Diàleg C

- Senyora Pepita, sóc l'electricista. Quan li va bé que vingui?
- Ara mateix, si vol.
- Ara no puc perquè se m'ha espallat la furgoneta. Què li sembla a primera hora de la tarda?
- Em va bé. Seré a casa.

WORK

Dialogue A

- Good morning, what is wrong with the car?
 - It has a flat tyre.
 - We'll change it straight away.
 - I'll wait then.
-

Dialogue B

- When will it be ready?
 - In about twenty minutes.
 - I'm going to run some errands and I will be right back.
 - Sure, see you soon.
-

Dialogue C

- Miss Pepita, I am the electrician. When is the best time for me to come?
- Right now, if you like.
- I can't right now, because my van is out of order. How about early afternoon tomorrow?
- Fine with me. I'll be at home.

Diàleg D

- Què he de fer ara?
 - Ja has acabat?
 - Sí, ho he fet ràpid.
 - Ara renta aquell cotxe.
-

Diàleg E

- Els dilluns són horrorosos. Maria, has vist l'albarà?
 - El tens sobre la taula...
 - Ah, és aquí. He de fer la factura i no em funciona l'ordinador. Pots fer la factura d'aquest senyor? Paga al comptat.
 - Tranquil·la. Ja me n'encarrego jo.
-

Diàleg F

- Per cert, quan puguis, s'han d'endreçar aquests armaris.
 - Com ho he de fer?
 - S'ha de fer per dates. El més vell al davant i el més nou al darrere. Vols que t'ajudi?
-

Diàleg G

- Puc fer festa demà?
- És impossible, demà fem balanç.
- Puc sortir mitja hora abans? És que operen la meva mare.

Dialogue D

- What shall I do now?
 - Have you finished already?
 - Yes, I've done it quickly.
 - You can wash that car, then.
-

Dialogue E

- Mondays are horrible. Maria, have you seen the delivery note?
 - It's on your table...
 - Oh yes, here it is. I have to make an invoice and my computer is not working. Can you issue an invoice for this gentleman? He pays cash.
 - Sure. I'll do it.
-

Dialogue F

- By the way, when you have a spare moment, these cupboards need tidying up.
 - How shall I do it?
 - They should be sorted by date. The oldest ones go in front and the newest ones, behind. Shall I help you?
-

Dialogue G

- Can I take a day off tomorrow?
- It's impossible, we take an inventory tomorrow.
- Can I leave half an hour earlier? My mother is having an operation.

Diàleg H

- Bona tarda, he llegit el seu anunci i m'agradaria treballar aquí.
 - Ha treballat alguna vegada en una botiga?
 - Sí, com a dependenta a la botiga de comestibles de la meva família, a Roses.
 - I en algun bar o restaurant?
 - També, els estius faig de cambrera.
 - Busquem una persona que tingui flexibilitat horària, perquè no sempre hi ha feina. A vegades hi ha molta gent, i a vegades, gens.
 - A mi ja em va bé. Puc treballar en règim de torns, a temps parcial o només el cap de setmana, com prefereixin.
 - I quan pot començar?
 - Puc venir demà mateix.
-

Diàleg I

- Bon dia. Truco per l'anunci que he llegit de professora d'àrab. No sé si també els puc servir jo. Busco feina, sap? Vaig néixer a Tànger. Tinc 30 anys. La meva mare és catalana. Sóc mestre. Vaig estudiar al Liceu Francès. He fet de professor durant tres anys. Parlo bé l'àrab, el francès, el castellà i el català.

Dialogue H

- Good afternoon, I've read an advert and I would like to work here.
 - Have you ever worked in a shop?
 - Yes, I have worked as a shop assistant in my family's grocery store, in Roses.
 - Have you worked in any bar or a restaurant?
 - Yes I also work as a waitress in the summer.
 - We are looking for someone who can deal with flexible working hours, because there is not always much work. Sometimes there are a lot of people, and sometimes there isn't anyone.
 - Fine with me. I can work in shifts, part-time or only on weekends, whatever you prefer.
 - And when are you ready to start working?
 - I can come tomorrow.
-

Dialogue I

- Good morning. I'm calling regarding a job advert for the Arabic language teacher position. Perhaps I will meet the requirements. I am looking for a job, you see? I was born in Tangier. I am 30 years old. My mother is Catalan. I am a teacher. I studied at the French Lycée. I've been working as a teacher for three years. I am fluent in Arabic, French, Spanish and Catalan.

EL MERCAT I LES BOTIGUES

Diàleg A

- Voldria mig quilo de pastanagues.
- Alguna cosa més?
- Posi'm dos carbassons.
- Com els vol?
- Més aviat grossos.
- Què li semblen aquests?
- Molt bé, gràcies.
- Què més? Mirí quines cireres!
- A quant van?
- A vuit euros el quilo.
- No, gràcies, un altre dia. Té tomàquets?
- Ho sento, no me'n queda cap.
- I d'oli, en té?
- Tampoc. No me'n queda gens.
- Doncs res més. Quant és?
- Tres euros.
- Tingui, té canvi de vint?
- Sí. Això fan cinc, i quinze que fan vint. Vol una bossa?
- No cal, gràcies.
- Adéu, bon dia.

MARKETS AND SHOPS

Dialogue A

- What would you like?
- Half a kilo of carrots.
- Anything else?
- Two zucchinis, please.
- How would you like them?
- Rather big.
- How about those over here?
- Perfect, thank you.
- Anything else? Look at these cherries!
- How much are they?
- Eight euros per kilo.
- No, thank you, some other day. Do you have any tomatoes?
- I am sorry; I do not have any left.
- What about some oil?
- No, neither. There is no oil left.
- That's all then. How much is it?
- Three euros.
- Here you are, do you have change for twenty euros?
- Yes. This makes five, and fifteen, which makes twenty. Would you like a bag?
- No, thank you.
- Goodbye, have a good day.

Diàleg B

- Bona tarda. Els puc ajudar?
 - Sí, voldríem una caçadora de pana negra.
 - Per a qui és? Per a vostè?
 - No, per al nostre nét. En tenen?
 - Quina edat té?
 - Set anys, acabats de fer.
 - Sí que en tenim. Són a la secció de roba infantil. Em volen acompanyar, si us plau?
 - Gràcies.
-

Diàleg C

- Noi, quin preu té aquest jersei?
- No ho diu a l'etiqueta? Que estrany!
- Ah, sí, ja ho veig. I no feu cap rebaixa?
- Sí, un trenta per cent sobre el preu marcat. Vol passar a l'empro-vador?
- No cal. Me'l quedo.
- Vol alguna cosa més?
- No, ja em pots cobrar.
- Acompanyi'm a la caixa, si us plau.

Dialogue B

- Good afternoon. Can I help you?
 - Yes, we would like a black leather jacket.
 - And who is it for? Is it for you?
 - No, it's for our grandson. Do you have any?
 - How old is he?
 - He's just turned seven.
 - Yes, we have some. They are in the children's clothing section.
Come with me, please.
 - Thank you.
-

Dialogue C

- Young man, how much is this jumper?
- Is it not written on the label? That's odd.
- Oh, right, I can see it now. Is it not on sale?
- Yes, it's thirty per cent off the stated price. Would you like to try it on in the fitting room?
- There's no need. I'll keep it.
- Would you like anything else?
- No, I would like to pay.
- Come with me to the cashier till, please.

Diàleg D

- Ja l'atenen?
 - No. M'agrada aquest biquini groc. Què li sembla, a vostè?
 - És molt bonic però potser li anirà petit. Vol que li porti una talla més gran?
 - No s'hi amoïni, m'estarà molt bé. Me'l puc emprovar?
 - Com vulgui, però pensi que es pot encongir una mica. Podria emprovar-se aquest altre. Miri, és més gran i va amb un mocador que hi fa joc.
 - Gràcies, el mocador m'encanta, però el biquini no gaire. M'estimo més l'altre.
-

Diàleg E

- Què? Com li van, els pantalons?
- Perfectes. Em queden amples, però m'agraden així. Me'ls quedo. I aquesta brusa també.
- Se la vol emprovar?
- No, és per regalar. Me la pot embolicar, per favor?
- És clar. Ho paga en efectiu o amb targeta de crèdit?
- En efectiu. Tingui.
- Gràcies. Guardi's el tiquet de compra per si l'ha de canviar.
- D'acord. Bona tarda.
- Bona tarda. A reveure.

Dialogue D

- Are you being served?
 - No. I like that yellow bikini. What do you think about it?
 - It's very nice, but perhaps it will be a little bit small for you. Would you like me to bring you a bigger size?
 - Don't worry; it'll be just the right size for me. Can I try it on?
 - As you like, but remember it might shrink a little bit. You could try on this one. Look, it's bigger and combines perfectly with a scarf.
 - Thank you, I love the scarf, but the bikini not so much. I prefer the other one.
-

Dialogue E

- So? Do the trousers fit you?
- Perfectly. They are a little bit loose, but I like them like that. I'll keep them. And this blouse as well.
- Would you like to try it on?
- No, it's for a present. Could you wrap it as a gift, please?
- Sure. Will you pay cash or with a credit card?
- Cash. Here you are.
- Thank you. Keep the ticket for any change.
- Alright. Have a good afternoon.
- You too. See you soon.

-

Diàleg C

- Parli'm en català, si us plau, que ja l'entenc.

- A nom de qui?
- A nom de Toriz, amb zeta.

 - No, please I'll have another bottle of still water.
-

Dialogue B

- Waiter!

 - Write it down! For the first..
 - Oh, the pen. Sorry, I'll be right back.
-

Dialogue C

- Speak in Catalan to me, please, I understand it.
- I would like to book a table for dinner.
- Could you repeat it, please? We are doing a sound check, and I can't hear you very well.
- A table for four next to the dance floor.
- Under which name, please?
- Under the name of Toriz, with a z (sed).

Diàleg D

- Què li poso?
 - Un cafè amb llet, si us plau.
 - Vol menjar alguna cosa, un entrepà o una pasta?

 - Doncs un. I portí'm el compte, que tinc pressa.
 - De seguida, senyora.
 - Gràcies.
-

Diàleg E

- Què farem per dinar?
- Prendré el menú. De primer plat, una sopa.
- Molt bé. És molt bona, ja ho veurà. I de segon, què
- prendrà?
- Vostè què em recomana?
- Això depèn. Què s'estima més, carn o peix?
- No ho sé. Tant me fa.
- Agafi el lluç arrebossat, és fresc.
- D'acord. La beguda va inclosa en el preu?
- Només el vi o l'aigua.
- Doncs portí'm un vi negre de la casa.

Dialogue D

- What would you like?
 - A café au lait, please.
 - Would you like anything to eat, a sandwich or a cookie?
 - Do you have any brioches?
 - Oh! Yes, we do.
 - I'll have one. And bring me the bill, I'm in a hurry.
 - Right away, madam.
 - Thank you.
-

Dialogue E

- What will you have for lunch?
- I'll take the menu. I'll have soup for the first.
- Very well. It's very good, you'll see. And what will you have for a second?
- What would you suggest?
- It depends. What do you prefer, meat or fish?
- I'm not sure. It doesn't matter.
- Take the batter-coated hake, it's fresh.
- All right. Are drinks included in the menu?
- Only wine or water.
- Then bring me some red wine, please.

Diàleg F

- Ja han demanat?
- No encara.
- Què prentran?
- Què és l'escalivada?
- És una mena d'amanida d'albergínia i pebrots, cuits a les flames. La servim tèbia, acabada de fer. És una de les nostres especialitats.
- Per a mi una escalivada, doncs.
- Jo vull carxofes a la brasa.
- Em sap greu, però no en tenim, no és temporada.
- Agafa una amanida, dona. – No et ve de gust?
- Oh, sí. I de segon un bistec de vedella.
- Una amanida verda... i el bistec, com el vol?
- Ben fet.
- I vostè, què prenrà de segon?
- Jo faré gambes a la planxa. Quantes n'hi ha per ració?
- Mitja dotzena, no són gaire grosses.
- Està bé.
- I per beure?
- Una ampolla de vi blanc de la casa, i aigua natural, que no sigui freda.
- Molt bé.

Dialogue F

- Have you ordered already?
- Not yet.
- What are you having?
- What is “escalivada”?
- It’s a mix of grilled aubergines and peppers. We serve it warm, freshly-made. It’s one of our signature dishes.
- I’ll have an “escalivada”, then.
- I would like some grilled artichokes.
- I am sorry, but we don’t have them, they are out of season.
- Why don’t you order a salad? – Don’t you feel like it?
- Oh, yes. And for seconds, a steak.
- A green salad. And the beefsteak, how would you like it?
- Well done.
- And what are you having for the second?
- I would like some grilled prawns. How many are there in a portion?
- Half a dozen, they are not too big.
- That’s alright.
- What will you drink?
- A bottle of white wine and some still water, not too cold.
- That’s great.

Diàleg G

- Què he de fer?
- Primer has de pelar la ceba.
- Entesos. I després la tallo a trossets ben petits, oi?
- Això mateix. Poses una mica d'oli a la cassola i hi afegeixes la ceba.
- Hi poso la sal?
- No encara. Primer has d'esperar que estigui una mica cuita. Remena-la de tant en tant.
- I quan hi afegeixo el tomàquet?
- Quan estigui rossa.
- Molt bé. Em sembla que ja ho sé fer.

Dialogue G

- What shall I do?
- First you should peel the onions.
- Alright. And then I cut them into small pieces, right?
- That's right. You add some oil on the pan and then you put in the onion.
- Shall I put some salt?
- Not yet. First you have to wait until it's slightly cooked. Stir it from time to time.
- And when shall I add the tomatoes?
- When it's golden.
- Great. I think I know what I need to do.

 - Ja l'ha donat d'alta a la companyia?
 - Em pensava que això ho feien vostès.
 - Abans sí, però ara la normativa és molt estricta.
 - I què he de fer?

 - Té el telèfon?
 - Sí, és el 93 204 55 78.
 - Quin és l'horari d'atenció al públic?
 - De 8 a 8. De nit, hi ha un contestador automàtic per a avaries i emergències.

 - Si vol, li podem carregar al seu compte.
-

Diàleg H

- Per la cuina, que és on hi ha més feina.

- I el llit com el voldrà?
- De matrimoni, ben gran. Vull que hi hagi dos calaixos a sota. Quan ho tindrà acabat?
- Amb una mica de sort, d'aquí a un mes ja ho tindrà tot col·locat.

Dialogue G

LA SALUT

Diàleg A

- Em puc visitar amb la doctora Nin?
 - Avui no és possible.
Vol que li doni hora per demà?
 - No. És urgent.
 - No es preocupa, la pot visitar el metge de guàrdia. Esperi's a la sala, que la cridaran de seguida.
-

Diàleg B

- Hola. Necessito uns antibiòtics.
- Porta la recepta?
- Sí, tingui.
- Alguna cosa més?
- No. Res més.
- Em deixa la targeta sanitària?
- Oh! No sé si la tinc aquí. Ara ho miro.
- Sense la targeta no el puc servir. Recordi-se'n.
- Miri, sí que la porto.
- A veure? Moltes gràcies.

HEALTHCARE

Dialogue A

- Can I see Doctor Nin?
 - It's impossible today. Would you like to make an appointment for tomorrow?
 - No. It's urgent.
 - Don't worry; the doctor on call will see you. Wait in the room, you'll be called immediately.
-

Dialogue B

- Hello. I need some antibiotics.
- Do you have a prescription with you?
- Here you are.
- Anything else?
- No. That's all.
- Can I see your health card?
- Oh! I'm not sure I have it with me. Let me check.
- I can't give it to you without the card. Remember.
- Look, I do have it with me.
- Let's see. Thank you very much.

Diàleg C

- Què t'ha passat?
 - M'he fet un tall al dit.
 - Deixa-me'l veure. Amb què t'ho has fet això?
 - Amb un vidre. Se m'ha trencat un got a la mà.
 - Déu n'hi do!
-

Diàleg D

- Bon dia, què li passa?
 - Em fa molt mal l'esquena.
 - Tregui's la samarreta i estiri's aquí. Ara aixequi's, posi's recta i camini a poc a poc. Molt bé, ja es pot vestir.
 - És greu, doctor?
 - No ho sembla. Passa molta estona asseguda?
 - Sí. Tot el dia. Sóc publicista, i em passo el dia davant l'ordinador.
 - Hauria de seure amb l'esquena recta, els colzes a l'alçada de la taula i amb els peus sobre un suport. Ja ho fa?
 - Només quan me'n recordo.
 - Mal fet. També li convindria fer exercici, per exemple natació; pensi que els anys passen per tothom. Ah!, i li aconsello que vagi al massatgista de tant en tant.
-

Diàleg E

- Què, noia? Com està el teu fill del refredat? Està millor?
- No gaire. Ara li fa mal l'orella.
- Jo coneix un metge naturista que ho fa molt bé.
- Ah, sí? I on és?
- Aquí mateix. Treballa en aquell centre mèdic nou de la plaça.

Dialogue C

- What's happened to you?
 - I've cut my finger.
 - Let me see. How did you do this?
 - With a piece of glass. I've broken a glass in my hand.
 - Dear me!
-

Dialogue D

- Good morning, what is wrong with you?
 - My back hurts really bad
 - Take off your T-shirt and lie down here. Now stand up, stay upright and walk slowly. Very well, you can get dressed now.
 - Is it serious, doctor?
 - It does not seem so. Do you spend a lot of time seated?
 - Yes. All day. I work in advertising and I spend the whole day in front of the computer.
 - You should sit down with your back straight, your elbows on the level of your desk and your feet on some support. Do you do that?
 - Only when I remember to.
 - That's not good. You should also do some exercise, for example, swimming: we are all getting older. Oh, and I advise you to see the masseur from time to time.
-

Dialogue E

- So? How's your son's cold? Is he better?
- Not really. Now his ear hurts.
- I know a naturist doctor who is really good.
- Oh really? And where is it?
- Right here. He works in that new health centre on the square.

EL LLEURE

Diàleg A

- On li agradarria anar?
 - Voldria fer un viatge de cap de setmana, per veure natura i prendre el sol.
 - Per què no fa un creuer?
-

Diàleg B

- Què li semblaria una visita cultural?
 - No, no, m'estimaria més un llac, o la muntanya.
 - A veure què trobem.
-

Diàleg C

- El lloc m'interessa. Com s'hi va?
- Amb avió. El vol dura al voltant d'una hora.
- I el meu gat, el puc portar?
- Bé, no és gaire freqüent. No ho sé. Ho he de consultar.

LEISURE

Dialogue A

- Where would you like to go?
 - I would like to go on a weekend trip, to see nature and sunbathe.
 - Why don't you go on a cruise?
-

Dialogue B

- What about a cultural visit?
 - No, no, I would rather go to the lake or to the mountains.
 - Let's see what we can find.
-

Dialogue C

- I am interested in this place. How do I get there?
- By plane. The flight takes about one hour.
- Can I take my cat with me?
- Well, it's not really common. I am not sure. Let me check it.

Diàleg D

- Què em recomana?
 - Podria anar a Mallorca. Amb vaixell, surt molt bé de preu.
 - Ai, qualsevol cosa. Em convé distreure'm.
 - Val la pena anar-hi, ja ho veurà.
 - Vol dir?
-

Diàleg E

- Voldria reservar una habitació.
 - Doble o individual?
 - Una de doble, que tingui bany. Amb esmorzar i prou.
 - Quants dies s'hi estarà?
-

Diàleg F

- Benvinguda. Com ha anat el viatge?
- Molt bé, gràcies. Que contenta de ser aquí!
- És hora de dinar. Si vol, passi directament al menjador i nosaltres li pugem les maletes a l'habitació.

Dialogue D

- What do you suggest?
 - You could go to Mallorca. By ferry, it is very affordable.
 - Oh, it doesn't really matter. I need some distraction.
 - It's worth going, you'll see.
 - Really?
-

Dialogue E

- I would like to book a room.
 - Double or single?
 - One double room with a bathroom. Just breakfast.
 - How many days will you be staying?
-

Dialogue F

- Welcome. How did the trip go?
- Very well, thank you. So happy to be here!
- It's lunch time. If you like, come directly to the dining room and we'll take your suitcases upstairs.

Diàleg G

- Em dóna una entrada per a l'òpera d'avui a la nit?
 - A veure quina hora és... tres quarts de set. És una mica just però no se sap mai. Mirí, n'hi ha, però no estan gaire ben situades.
 - En queda cap a la platea?
 - Una, però és molt endarrere. A les últimes files. I una mica cara.
 - Ja ho veig.
 - També en queda una al tercer pis. És lateral, però veurà més de mig escenari.
 - Em quedo aquesta.
-

Diàleg H

- Demà ens ve a buscar l'autocar a dos quarts de vuit. Aquí tenen l'itinerari tot explicat, amb els horaris que farem. La puntualitat és molt important per poder-lo seguir. Han de portar una jaqueta per si fa fred. Alguna pregunta?
- Sí, jo, aquí... Voldria saber si amb el que vam pagar ja hi és tot inclòs, vull dir, els àpats, les entrades als llocs...
- Les entrades, sí. El dinar, si és menú, també. Si és un extra, va pel seu compte. Queda clar?

Dialogue G

- I would like a ticket for tonight's opera.
 - Let's see what time it is... quarter to seven. It's a little bit tight, but you never know. Look, there are some tickets left, but not very well placed.
 - Do you have anything close to the stalls?
 - There is one seat, but it's in the back. In the last rows. And it's a little bit expensive.
 - I see.
 - There is also another one on the third floor. It's on the side, but you will see more than half of the stage.
 - I'll take this one.
-

Dialogue H

- Tomorrow the bus is picking us up at half past seven. Here you have a detailed itinerary, with all the times of the visit. Punctuality is very important to be able to follow this itinerary. Bring a jacket in case it gets cold. Any questions?
- Yes, I have one... I would like to know if for the price we paid everything is included, that is, meals, tickets...
- Tickets, yes. Lunch, as well, as long as you take the menu. Any extra services are not included. Is everything clear?
