I HAVE, WHO HAS?

CVCC

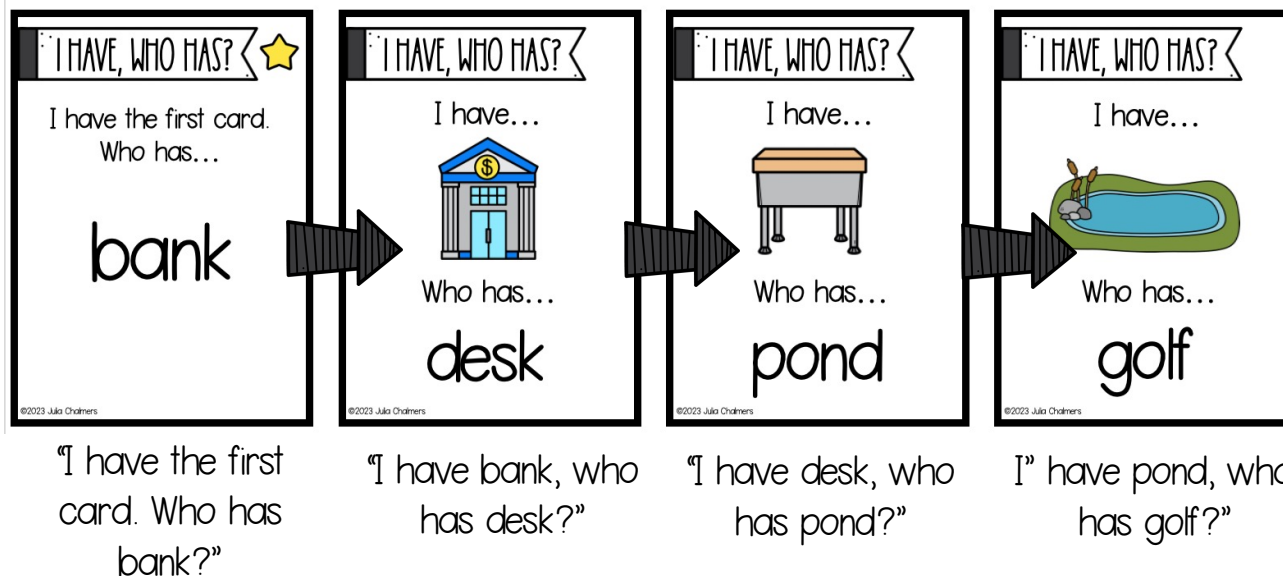

ABOUT

How to make:

- Copy and laminate (or just copy onto cardstock).

How to play:

- The person with the first card (it says on the card) says the word they are looking for. The person with the matching picture says the word they have, and the next one that they are looking for.
- The game continues until all the cards are used (if you have more cards than students, double some up).
