

## *Exploring Creation with Zoology 1, 2<sup>nd</sup> Edition – Errata File*

This file contains the corrections for the **Textbook**. The printing for the Textbook may not be the same as for the Notebooking Journal. Corrections for the Notebooking Journal is in a separate file. (Posted 2024)

### **1<sup>st</sup> printing – January 2023:**

#### Corrections:

Page vi – Lesson 7 – Change the spelling of **Orthoptera** Life Cycle....144.

Page vi – Lesson 8 – Change title of Activity 8.6 to: Identify the **Pterosaurs**....162.

Page 59 – 3<sup>rd</sup> paragraph, end of 1<sup>st</sup> sentence – remove (...or skipper) from the parentheses.

Page 64 – 2<sup>nd</sup> sentence under the Packed-In Pupa Stage section – remove ‘or skipper’ so sentence reads “...whereas a butterfly caterpillar will form a chrysalis.”

Page 162 – Change title of Activity 8.6 to: Identify the **Pterosaurs**

Page 186 – Caption for the top photo – change ‘red-headed’ to ‘**piledated.**’

Page 323 – Activity 8.6 Answer Key:
