Your Impact, Their Future

At Pet Helpers, every contribution is much more than a donation –it’s a lifeline. It’s a powerful step toward brighter, happier futures for the animals who depend on us. This impact report is a testament to the incredible difference your support has made throughout 2024.

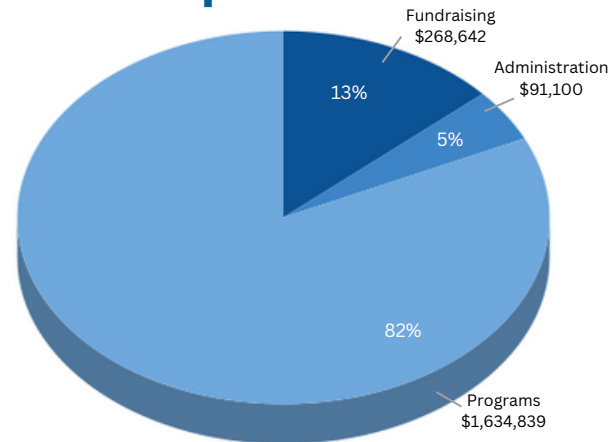

Inside, you'll see how your generous contributions have been put to work, from covering vital medical costs to providing food, supplies, and so much more. Every dollar you’ve entrusted to us has been thoughtfully used to support the health, safety, and happiness of the animals in our care. Your gifts have fueled community-driven programs like Levi’s Legacy, TNR, the Food Bank, and Humane Education, as well as critical medical care and shelter services.

Your support has not only transformed the lives of these animals, but has also created a ripple effect across our entire community. Pet Helpers has become more than just a shelter; we are a resource, an advocate, and a champion for every animal and pet owner we serve. This report offers a glimpse into the meaningful change you’ve helped create—saving lives, healing hearts, and giving animals the second chance they deserve.

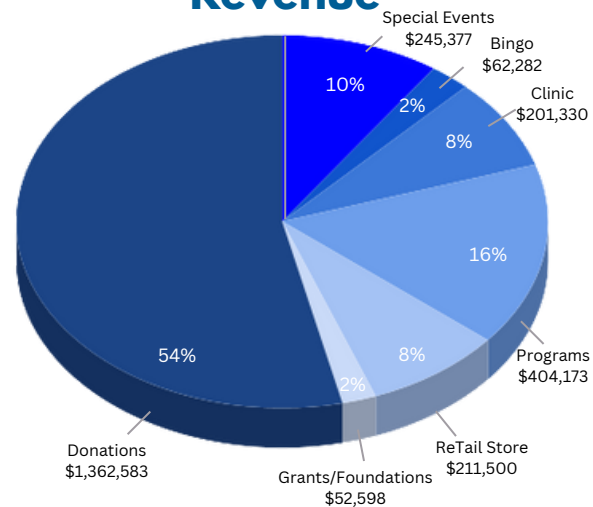

As we reflect on the past year’s achievements, our hearts are full of gratitude for the lives we’ve touched together. But our work isn’t finished. With your continued generosity, we’ll write even more stories of hope and transformation in 2025 and beyond—giving every animal who enters our doors the chance for a better tomorrow. We hope you’ll join us again in supporting our mission to create a world where every animal is loved, safe, and cared for.
