IMPORTANT INFORMATION

The designs in this book, when made to exact tension with the wool specified in the instructions, will produce garments with the same measurements as given at the top of each instruction and thus fit an average baby of the given age. There is, however, such variation in size between one baby and another that age is not, of course, a completely accurate guide.

The chest measurement and weight of baby for each size as used in this book are as follows:—

AGE	WEIGHT	CHEST
3 months	11½ lbs.	18 ins.
6 months	16 lbs.	19 ins.
9 months	19 lbs.	19½ ins.
12 months	22 lbs.	20 ins.

Helpful Information

Well knitted or crocheted garments are worthy of careful treatment. They will give long service and keep their shape and softness if these simple routines are followed. Most Patons Beehive yarns are now labelled machine washable and machine dryable.

MACHINE WASHING AND DRYING

1. Turn garment inside out and button or zip up.
2. Machine wash using warm water and detergent. Add softener in final rinse if desired. *Do not bleach.*
3. Machine dry at low setting. *Do not overheat.*

DYE LOTS

Always buy sufficient yarn of *one dye lot* to complete your garment. Keep labels to submit in case of complaint.

HAND WASHING AND DRYING

Yarns not labelled machine washable and dryable may be dry cleaned or hand washed as follows:

1. Before washing, take garment measurements: chest, body and sleeve.
2. Thoroughly dissolve soap or mild detergent in lukewarm water, place the garment in the suds and squeeze gently. Do not rub or leave to soak.
3. When garment is clean, squeeze as much water out as possible. Do not wring. Keep garment supported by the hands whenever it is removed from the water.
4. Rinse twice in clean, warm water, adding a small amount of white vinegar to the final rinse water (particularly for WHITES).
5. Remove excess moisture by rolling in a thick towel and lay garment on a flat surface away from bright lights, excessive heat and NOT IN SUNLIGHT. Do not hang up.
6. While still damp, gently push garment back to its original size and shape.
