WORK EXPERIENCE

FRONTEND WEB DEVELOPER

Aether Group | 2018 – 2025 (7 Years)

- Developed and deployed 500+ responsive landing pages and scalable web applications using Vue.js, React, and Next.js; improved website performance by 50%, integrated REST and GraphQL APIs, migrated legacy codebases to Vue 3, implemented CI/CD pipelines, built reusable component libraries, and collaborated in Agile environments to deliver high-converting digital experiences for global brands.

SENIOR WEB DESIGNER & WEB DEVELOPER

BFL Group | 2016 – 2018 (2 Years)

- Led UI/UX web design initiatives for major retail brands, improved website traffic by 15%, increased conversion rates by 25% through data-driven wireframing and UX enhancements, delivered ATL and BTL campaign assets, and mentored designers to improve team productivity and design quality.

SENIOR UI/UX WEB DESIGNER

PCM LLC | 2011 – 2016 (5 Years)

- Designed reusable design systems and digital marketing assets, improved campaign engagement by 10%, developed scalable design templates, and conducted training sessions that increased team productivity and knowledge sharing by 20%.

WEB DEVELOPER

National Council for Children's Television | 2015 – 2016 (1 Year)

- Managed and maintained the agency's WordPress website by updating core systems, ensuring security and compliance with government usability standards, designing promotional graphics, and collaborating with internal departments to implement content and feature updates.
