Please...

be very careful about two things when you make the garments shown in this new Beehive Book.

1. Be sure to work with the Wool recommended and to the Tension the pattern calls for.

2. Compare the measurements of the child for whom you are knitting with those given in the instructions. We have taken great care that the clothes are designed to fit average children, but as children of the same age differ in size it is a wise precaution to check important details, such as length to armhole shaping and length of sleeve.

We enjoyed making the designs, writing the instructions and taking the photographs. We sincerely hope you in turn will have fun making the garments and that fun-loving children will wear them.

THE HAT

CROWN: With (B) wool cast on 38 sts. (*4 yrs.—40 sts.*) (*6 yrs.—42 sts.*). Join (A) wool.

Working in Fair Isle, see page 32, being careful to read **knit** rows from **right** to left and **purl** rows from **left** to right, work from Chart (A), see page 29, to end of Chart. Make 3 more pieces to correspond.

EAR FLAPS: With (B) wool cast on 22 sts. (*all sizes*). Join (A) wool.

Beginning with 19th row of Chart (A), work on these 22 sts. as shown in Chart to end of 34th row. (*4 yrs.—37th row*) (*6 yrs.—40th row*).

Dec. 1. st. each end of needle as shown in Chart, continue working from Chart to end of Chart for size required. Make 3 more pieces to correspond.

CHIN STRAP: With (B) wool cast on 28 sts. (*4 yrs.—32 sts.*) (*6 yrs.—36 sts.*).

TO MAKE UP: Darn in all ends. Press pieces carefully. Sew the 4 pieces of the Crown together. Sew the cast-on edge of the Brim to the cast-off edge. Pin the Brim around the edge of the Crown, right sides facing, and easing in fullness, sew in position. With wrong sides facing sew 2 Ear Flap pieces together, leaving cast-on edges open. Turn right side out. Make other Ear Flap to correspond. Press all seams.

Fold the bias piece of Book Muslin on the length to make a 3-inch width. Press. Stretch the folded edge so that it will curve around for the outer edge of the Brim. This edge has to be stretched very well. Allowing for an overlap of 1 inch cut piece to size so that the stretched edge will measure approx. 26 ins. (*4 yrs.—28 ins.*) (*6 yrs.—30 ins.*). Overlap edges and sew firmly.

At inner edge make slashes ¾ inch deep and 1¼ ins. apart around edge. Overlap every alternate slash ¼ inch and sew firmly. This will draw inner edge to desired head size. Overlapping ends of wire by 2 ins. sew it around outer edge of Brim using buttonhole stitch. Placing wired edge 2 ins. from head seam of knitted hat, sew the inner edge firmly in position on the head seam. Clip off the extra muslin at seam edge. Fold the knitted Brim over the muslin, stretching the folded edge to fit over the wire and sew the edge in position on wrong side of Hat to cover the other seams at inner edge.

Press the completed Brim bit by bit over the end of a sleeve board or small cushion using a very damp cloth and hot iron. This will ease out any extra fullness in the brim at the head edge and stiffen the muslin to make a firm brim. Sew Ear Flaps in position. Sew the Chin Strap to one Ear Flap and the Button to correspond on other Ear Flap as illustrated. If desired a piece of grosgrain ribbon, required head size, may be sewn inside Hat at head edge.

THE CAP

CROWN AND EAR FLAPS: Work exactly as given for Hat, see left column.

PEAK: With (B) wool cast on 16 sts. (*all sizes*). Join (A) wool. Work the 1st. row even as shown in Chart (C), see page 29, then work to end of Chart. Make another piece to correspond.

TO MAKE UP: Darn in all ends. Press pieces carefully. Sew the 4 pieces of the Crown together. Turn under a hem the depth of the first square and sew in position. With wrong sides facing sew 2 Ear Flap pieces together, leaving the cast-on edges open. Turn right side out. Make other Ear Flap to correspond. With wrong sides facing sew the outer edges of the Peak together. Turn right side out. Press all seams.

Cut a paper pattern the same shape as the Peak which should measure 7 ins. from point to point and 2 ins. deep at centre front. Cut 4 pieces of Book Muslin from the pattern and sew together. Cover the outer edge of the Peak with a piece of bias material 1 inch wide. This will keep the edge smooth. Press with damp cloth and iron dry. This will stiffen the Peak.

Insert the muslin Peak inside the knitted one, drawing the knitted one well over at the inside edge to cover the muslin one. Sew in position.

Overlapping the Crown on the Peak about ½ inch sew the Crown to the Peak from the right side and the Peak to the Crown from the wrong side.

Sew Ear Flaps in position. Sew the Chin Strap to one Ear Flap and the Button to correspond on other Ear Flap as illustrated. If desired a piece of grosgrain ribbon, required head size, may be sewn inside Cap at head edge.

TO WORK FAIR ISLE

as worked on two needles with a knit row and a purl row. The background colour is referred to as (B). The design colour is referred to as (D).

TO KNIT A SAMPLE PIECE

Cast on 13 sts. Knit 1 row. Purl 1 row. The purled side is the wrong side of the work. Proceed:—
1st row: K1(B). With (D) knit the next st. leaving an end long enough to darn in when the work is finished. ★Put (D) thread over the forefinger of the left hand and hold it taut at all times. (This position is similar to the way thread is held when crocheting.) Put the point of the right hand needle into the next (B) st. on the left hand needle and with (B) knit this st. in the ordinary manner. Drop the (B) thread. Put the point of the right hand needle into the next (B) st. With (D) knit this st. in the ordinary manner. Repeat from ★ to last st. K1(B). You now have a row of alternate (B) and (D) sts. (7 (B) and 6 (D).), and both threads are at the same end of your work. If you look on the wrong side of the work you will see the threads give a woven effect similar to a running st. in sewing.

2nd row: K1(B). Pull the (B) thread to the back of the work ready to purl. Pulling the (D) thread under and over the (B) thread P1(D). ★After purling the st. hold the (D) thread taut over the left hand forefinger as before. Insert the point of the right hand needle into the next (B) st. purlways and with (B) purl 1. st. in the ordinary manner. Drop the (B) thread and with (D) purl the next st. in the ordinary manner. Repeat from ★ to last st. K1(B).

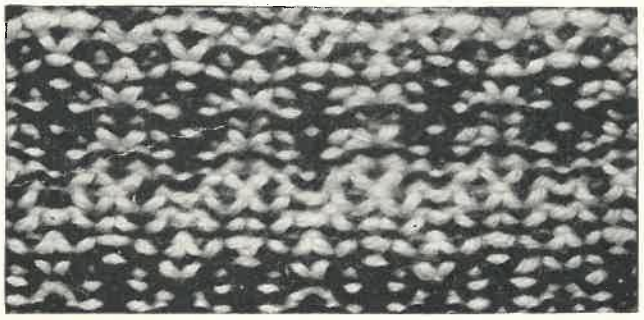

Practise these 2 rows until you can work them easily.

Next row: Showing you how to work more than one design st. K1(B). ★Hold (D) taut over left hand forefinger and with (B) knit the next st. Still holding (D) taut over the left forefinger, put the point of the right hand needle through the next st. and under the (D) thread. This means the needle is resting on the left forefinger. With (B) knit the st. in the ordinary manner. You will notice this has "raised" the (D) thread over the (B) thread at the back of the work. Insert the point of the right hand needle into the next st. in the ordinary manner and with (B) knit this st. You will notice that the (B) thread weaves the (D) thread and that when the st. is knitted the (B) thread is again on top. With (D) knit 1. st. Put the (B) thread over the left hand forefinger. Insert the point of the right hand needle through next st. and under the (B) thread. With (D) knit the st. in the ordinary manner. Insert the point of the right hand needle into the next st. in the ordinary manner and with (D) knit this st. You will notice the (D) thread weaves the (B) thread. Repeat from ★ once.

For the purl row you follow the same principle.

When working Fair Isle on a Circular or 3 needles the purl row is disregarded.

THE WRONG SIDE OF FAIR ISLE KNITTING

7th row: ★Work 3 sts. in pattern. P3tog. Repeat from ★ to end of row.
9th row: K1. Sl.1. K2tog. p.s.s.o. ★P1. Sl.1. K2tog. p.s.s.o. Repeat from ★ to end of row. Break wool. Thread end through remaining 12 sts. Draw up and fasten securely.

TO MAKE UP: Do not press. Sew back seam. Turn a 1½-inch hem to wrong side and sew lightly in position. Make a small pom-pom and sew to top. For making pom-pom, see page 18.

WASHING AND DRYING WOOLLEN GARMENTS

The beauty of your hand knit woollen garments can be easily retained after many washings, provided a few simple rules are followed.

Before washing, measure the garment and note measurements carefully.

Lukewarm Water and Good Suds

1. USE GOOD MILD SOAP OR SOAP FLAKES. Dissolve sufficient quantity to make good **lukewarm** suds.
2. Squeeze the suds gently through and through the garment until clean. Never rub a woollen garment. Keep the garment **supported by hands when removing from water,** because the weight of the wet garment may stretch the fabric.

Rinsing Twice to Remove All Soap

3. Rinse in clean, lukewarm water, gently squeezing to REMOVE ALL SOAP. Keep garment **supported by hands when removing from water.**
4. Rinse a second time in clean, lukewarm water making doubly sure to REMOVE ALL SOAP. Keep garment **supported by hands when removing from water.**

Remove All Moisture

5. Never let the garment lie wet, but remove all moisture at once by rolling in a clean, thick towel.

Dry Slowly on Flat Surface

6. Remove garment from towel, lay on a flat surface AWAY FROM HEAT. Pin to required measurements using rustless pins.

Wool and Silk Mixture

In case of woollen garments containing a thread of artificial silk, add a little vinegar to the second rinsing water.

Plain and Fancy Patterned Socks

Follow the same instructions. In the case of fancy patterns with various colours of wool add a little vinegar to the second rinsing water. Put on wooden stretchers. DO NOT HANG UP—dry on a flat surface.

Patonised Wools

To ensure the fullest benefit of increased wearing properties, it is recommended that these washing instructions be followed for garments knitted from PATONISED Shrink-resist yarns.

It is absolutely wrong to put woollen garments to soak: to use strong soap, soda, boiling—or even very hot—water, (or in the case of white garments especially, a dirty sud!), to let them lie in a wet state, or to hang them up to dry.

CHECK THE TENSION

The garments in this book are worked to the exact tension given. They are closely knitted to insure a firm fabric that will wear better and keep its shape longer than a loosely knitted fabric. *Check your tension.* Before beginning your garment take the wool and needles specified. Cast on 20 stitches. Work 20 rows stocking stitch. Lay work flat on a table and place a ruler across the stitches. Count the number of stitches to one inch and compare with the tension given in the instructions. All given tension in Beehive instructions is measured over stocking stitch. If your tension is too loose try a size smaller needle. If your tension is too tight try a size larger needle.

Be sure to work to exact tension given if you want your garment to work to correct size.

To Press a Finished Garment

For plain, smooth fabric: Place all knitted pieces on a thick pad wrong side out. Baste to shape and size desired being careful to keep the weave quite straight. Cover with a damp bath towel. Smooth EVENLY with a WARM iron. Remove towel and leave until dry. **For raised and fancy patterns:** Baste into position and cover with a wet towel but DO NOT PRESS. Pat gently but firmly with the hand. Remove towel and leave until dry.

Use the Yarn the Pattern Calls For

Use only Patons and Baldwins yarns, and Queen Bee Knitting Needles for any of the garments in this book.

Buy the Quantity of Yarn the Pattern Calls For

—at the time you make your initial purchase, making sure it is the one dye lot. This will prevent a disappointment later on when you might find you could not exactly match the colour.
