

Exploring Creation with General Science, 3rd Edition – Errata File

This file contains the corrections for the 10th Printing: January 2025 of the Student Notebook.

You can find which printing you have by going to the publications page in the front of your book. The printing for the Textbook, Solutions and Tests Manual, and Student Notebook may not be the same. Corrections for the Textbook and Solutions Manual are in separate files. (Updated March 2026).

Corrections:

Page 235 – In the overlapping section of the Venn diagram, add the word *physically* before *separated* so the sentence reads: “Both are pure substances that cannot be **physically** separated or further divided.”

Page 319 - Replace the question in the middle rectangle (What types of organisms are in kingdom Protista?) with the following:

What are some ways to fight infection? (Use the words in blue to explain.)
