Meet the Dragons

Click on one of the dragons below to learn their name and discover their special ability!

Oops! The dragon flew away!

Follow the flight path with your singing voice. Then, tap the tail to meet the dragon.

Congratulations!

This is a Sky Swan. They are great flyers and can create colorful sparks that shoot out the end of their tails. These sparks help lost dragons find their way back home.

SINGING + IMAGINATION

- Sing along together
- Trace the pathway
- Repeat with new voices
- Click to continue
- Play again later

Have students create their own explorations with pipe cleaners!

Meet the Slimes

Click on one of the slimes below to learn their name and discover their special skill!

Oops! The slime oozed away!

Follow the ooze with your singing voice. Then, tap the slime to meet them.

You did it!

This is a Purple Pouncer. They can jump as high as a cat, almost six feet in the air!

NO PREP & SUB FRIENDLY

- No setup needed
- Easy clickable navigation
- Works for any size group

Have students draw their own slime with a matching vocal exploration.
