

Western Art Music Rhythms Classical Period

Here are some important notes to keep in mind when using this resource.

You can access detailed directions inside the Excel file in your download.

- Some rhythm patterns have slight variations throughout the piece
 - The time stamps include both the original rhythm pattern and slight variations
 - Some rhythms will include a slight swing depending on the performance
 - The time stamps are specific to the linked video, they will not work with every recorded performance
-
- ❖ Go to the next slide of this presentation to see the rhythm menu, which includes the title of the piece, composer, and featured rhythm pattern
 - ❖ Click on the rhythms in the rhythm menu to view the time stamps and video link
 - ❖ Click on the home icon to return to the rhythm menu
-
- Most of the composers featured are also in my [Music History Quick Guides](#)
