COMPETITIVE GAME RULES

COLLABORATIVE GAME RULES

START GAME #1 >

START GAME #2 >

COMPETITIVE GAME

Object:

The team with the most clue tokens at the end of the game wins

Materials:

- ✓ Each team receives 3 clue tokens for each composer in the game

Example:

- if there are 8 composers total, each team receives 24 clue tokens

COMPETITIVE GAME

Playing the Game:

1. Team one reads the first clue. They can choose to:
 - spend a token for another clue
 - name the composer and check the answer
2. If they check their answer and they're correct, they win that round and it's time for the next team and composer
3. If they check their answer and they're incorrect, they lose three clue tokens
4. If the team has read all the clues, and still doesn't know the answer, they can choose to pass and not lose any more clue tokens
5. If "pass" is chosen, then the next team gets one chance to answer. If they answer correctly, they earn one clue token

COLLABORATIVE GAME

Object:

The class wins if the total number of tokens (from both teams) equals half or more of the number of tokens that were passed out at the start of the game

Materials:

- ✓ Each team receives 3 clue tokens for each composer in the game

Example:

- if there are 8 composers total, each team receives 24 clue tokens

COLLABORATIVE GAME

Playing the Game:

- Each team takes turns guessing the name of the composer
- The majority of the team must agree on the answer in order to guess
- They must spend one token for each additional clue beyond the first clue
- If their guess is incorrect, they must pass and spend three clue tokens
- At this point, the other team gets one chance to guess the composer
- If they guess correctly, they earn one clue token
- The team with the most clue tokens at the end of the game wins
- The class wins if the total number of tokens (from both teams) equals half or more of the number of tokens that were passed out at the start
