INSTRUMENT RELAY

DIRECTIONS

- Split into two teams, with each team standing in a line
- Starting with the first two people in line, pat your hands together as you say the name of the instrument
 - EXAMPLE: you would pat twice for "guiro", and once for "bells"
- Continue passing/patting the instrument name until you reach the end of the line
- Each time you finish a relay, your team earns the corresponding rhythm card(s)
- After each relay, the person at the end of the line moves to the front

OSTINATO ACTIVITY

- Create an ostinato using the rhythms you identified
- Use the rhythm cards to write out the ostinato
- Your teacher will give you the instrument cards to indicate which instrument(s) you can use for your ostinato
- Share the ostinato with the class or another group
