Panel description: This is a comic book panel. At the top, there is a horizontal strip showing a close-up of a person's face, partially obscured. Below this, the main scene is set in a room with light blue tiled walls. On the left, a man with short dark hair is shown from the back of his head, looking towards the right. In the center, a woman with long dark hair is looking at him. On the right, another woman with dark hair and bangs is looking on with a surprised expression, her eyes wide and mouth slightly open. Two speech bubbles are present: one from the man on the left and one from the woman in the center.
