Let's Read

What you need: Bible

It's story time! Do you know where's our story is from? Yes, the Bible! The Bible is God's special book. The stories in God's Word are true. Raise your hand if you know the Bible is a special book. Yes, and if it's in the bible, it's true, because the Bible is True!

How many of you like to build things? I love building things too. You can make so many different things with something like Lego! Who has Lego or something like that at home? If I have Lego, I can build a tower, a castle, or even a race car. if I had enough pieces! I can do this because I'm the one designing and creating with these blocks.

Did you know that someone created all the things you see around you? Someone took time to make the chairs we sit in, the TV we use to watch cartoons on, and the building we meet in for church! But when we look outside, we see special things are created like sunsets, trees, flowers, stars, and rain that makes puddles we love splashing in.

Do you want to know a secret? I know who created everything that you see. Would you like to know? Well, you might already know Him. It's God! God made everything!

So a long, long time ago when there was no world, no light or dark, sky or water trees, no plants, no animals and no people. There was only God. And then this is what God did. The Bible tells us that God made everything. It took God just six days to make the whole world and everything in it. Then He rested on day seven. Let's count to seven. 1,2,3,4,5,6, 7. Let's see if we remember all the things God made. On day one, God made light and dark. On day two, God made the sky and water. On day three God made the land and sea. On day four God made the sun, moon and stars. On day five God made fish and birds. And it was all good.

God's world was wonderful, but the dry land was full of grass and flowers and trees. But nothing moved there. So on day six God said, "Let there be all kinds of animals." And just as God said it, there were animals everywhere - great big elephants and little grey mice, barking dogs and meowing cats. There were even brown fuzzy bugs and fat worms, black-and-white cows and roaring lions. God made brown rabbits that run very quickly and green turtles that crawl along very slooowly.

God looked at all the animals He had made for our world and He said, "It is good." And it WAS good because God made it all.

But God wasn't finished yet. Nooooooo. He had one more very special thing to make...people. People, like you and me. The Bible tells us that God made a boy and God called him Adam. Now there was one person in the world. God loved Adam.

God wanted Adam to live in a special place that would have everything Adam needed. So God put Adam in a beautiful garden. And Adam's job was to look after the garden and give the animals all a name. Now that was a BIG job!

Even though there were lots of animals to take care of, Adam was alone. So God decided to make a special friend for Adam. He put Adam into a deep sleep. While Adam was sleeping, God made Adam a special friend. He made a girl and her name was Eve. When Adam woke up, he was so happy to have someone to spend time with! Eve was Adam's wife. The bible says Adam and Eve loved each other. They lived together in a garden and spent their days with God and each other. God made all people so they can know Him. God wants to love people and for them to love Him back.

After God made everything in the world, He rested on day seven! God saw that everything He had made was very good.

God made everything. He made the big world. He made your mummies and daddies and grannies and grandpas. He made me and He made you.

Our Big Idea today is “God made everything. So let me ask you “Who made everything? God made everything.”

Let's Pray

“Dear God, thank You that you love us so much and that you made us. Thank you for all the animals and for all the people in the world like our mummies and daddies and friends and family. We love You. In Jesus’ name, Amen!

Let's do our Memory Verse (Preschool 3 and 4)
