## Ch. 1 Project - Calendario

Instructions: Create a calendar in Spanish for your birth month.

You must include:

- Month name in Spanish. (15pts)
- Season in Spanish. (10pts)  
(*La primavera = Spring, El verano = Summer, El otoño = Fall, El invierno = Winter*)
- Days – number and Spanish word. (For example: 1 – uno) (30pts)
- Days of week in Spanish. (25pts)
- Your birthday written in a full sentence in Spanish. (15pts)
- Some pictures to illustrate the month, the season, and your birthday. (5pts)

Suggested pacing schedule:

- Day 1: Make the outline of your calendar on your construction paper.
- Day 2: Start filling in the month and days of the week. Draw your pictures.
- Day 3: Fill in the numbers for each box and your birthday.

**Due date:** By the end of Quarter 1 (Date \_\_\_\_\_). We will be working on it in class over the course of 3 days. If you need more time after that you can work on it at home or in ASR. All calendars must be turned in by the end of Quarter 1 (but turn it in sooner if you are done!).

Example calendar layout:

Monday (written in Spanish)	Tuesday (written in Spanish)	Wednesday (written in Spanish)	Thursday (written in Spanish)	Friday (written in Spanish)	Saturday (written in Spanish)	Sunday (written in Spanish)
						1 Uno
# Number written in Spanish	# Number written in Spanish	# Number written in Spanish	# Number written in Spanish	# Number written in Spanish	# Number written in Spanish	# Number written in Spanish
