5. The board clarified that the e-newsletter, Susan's Neighborhood Newsletter, was not associated or an activity of the PNA.
6. The board discussed the process involved when a request to obtain PNA addresses is brought to the board. The board clarified that the sign-in sheets and "Guest" book are public documents. The process for such a request is that anyone is welcome to view the book and sign in sheets and take written copies of such public information while in the presence of the Secretary or board member and at a reasonable time and place and for a reasonable amount of time as available for the board member.
7. Communication and Outreach activities were discussed to encourage more participation at PNA events. 9. The board discussed the current status of the Land Use Subcommittee membership and agreed to have the Land Use Subcommittee restructured to a Land Use Representative. This person will attend meetings and update the board. The Land Use Committee Report and builder visit was given by Susan and Jeanne. Discussion was had regarding the board's stance on land use issues for the neighborhood. After much discussion, a **motion** was made to add the words "and to oppose set back variances" to the motion adopted at the meeting of October 23, so that the entire statement would read, "PNA plans to oppose all waivers in the case of lot divisions in circumstances that violate the character of the neighborhood and to oppose set back variances." After considerable discussion and vote of 2-2-1, the item was tabled until the next meeting.

10. A **motion** was made to purchase a zoning book for PNA. After discussion and that the cost would be about \$40 plus postage and handling, a vote was taken (Vote 3-1) and purchase approved.

11. A **motion** was made to adjourn to the next meeting on January 22, 2208. After discussion and noting that the 4th Tuesday of December is December 25, the board unanimously approved the motion and adopted to adjourn to the next meeting in January.

Meeting adjourned at 9pm.
