

Shipping is cheaper:

him: so what's it cost to ship my dog's medicine?

me: ten bucks

him: what about if i pick it up?

me: ...

him: ...

me: ... twenty.

him: seems cheaper to just have you ship it.

me: ...

him: ...

me: ...

him: ...

me: ...

him: well okay.

me: yes.

Your cat. Has a behaviorist:

her: my cat's behaviorist wrote the prescription.

me: ...

her: it's for her behavior.

me: ahhhhh

her: we are hoping this will improve her behavior

me: this medicine is for treating an infection

her: well the infection is obviously affecting her behavior.

me: it would definitely affect mine, remember, this is an animal-judgement free zone

her: well thank you

me: INSERT PICTURE OF MY EYEBALLS

Can I axe you a question?

her: can i ask you a question?

me: you just did

her: i mean a medical question

me: let me put you on hold and grab you a pharmacist

her: nah nah nah, i don't trust those people

me: ME EITHER! especially because i'm related to them and their ancestry can be traced to luxembourg

her: nah, i just dont trust people in white coats

me: well, today one coat is periwinkle and the other is hunter orange

her: hunter orange?

me: yeah, green tie too. dude's living OUT LOUD

her: let me talk to periwinkle

me: excellent choice
