

PAUL SPEIRS

SOUTH AFRICA – 2017 CV

ABOUT:

I have been editing for over a decade and am first and foremost a feature film editor. Over the years I have fine-tuned the art of subtle editing, improving performance and narrative pacing. I work as a freelance editor on AVID and Premiere Pro both internationally and from my boutique edit suite/collaborative studio in Cape Town, South Africa.

QUALIFICATION:

- Studied Film and Screenwriting at the University of California, Los Angeles
 - Bachelor of Arts degree in Film and Television from the University of Cape Town
 - Completed a certified course in video production through the University of the Nations, Cape Town
