

I Love You Because (Leon Payne)

1 I love you because you understand dear
 Every single thing I try to do
 You're always there to lend a helping hand dear
 I love you most of all because you're you
 No matter what the world may say about me
 I know your love will always see me through
 I love you for the way you never doubt me,
 But most of all I love you 'cause you're you

2 I love you because my heart is lighter
 Every time I'm walking by your side
 I love you because the future's brighter
 The door to happiness you opened wide
 No matter what the world may say about me
 I know your love will always see me through
 I love you for a hundred thousand reasons
 But most of all I love you 'cause you're you.
