2. Clouds are drifting across the moon,
 Cats are prowling on their beat;
 Spring's a girl on the street at night,
 Dirty old town, dirty old town.

3. I heard a siren from the dock,
 Saw a train set the night on fire;
 Smelled the spring on the smokey wind,
 Dirty old town, dirty old town.

4. I'm going to make me a good sharp axe,
 Shining steel tempered in the fire;
 I'll chop you down like an old dead tree,
 Dirty old town, dirty old town
