G Am  
I don't know if you can see  
Bm C  
The changes that have come over me  
G Am  
In these last few days I've been afraid  
Bm C  
That I might drift away  
G Am  
So I've been telling old stories, singing songs  
Bm C  
That make me think about where I came from  
G Am  
And that's the reason why I seem  
Bm C  
So far away today

G D  
**Let me tell you that I love you**  
G C  
**And I think about you all the time**  
C G  
**Caledonia, you're calling me**  
D G  
**And now I'm going home**

G D  
**For if I should become a stranger**  
G C  
**You know that it would make me more than sad**  
C D G  
**Caledonia's been everything I've ever had**

I have moved and I've kept on moving-  
Proved the points that I needed proving  
Lost the friends that I needed losing-  
Found others on the way  
I have kissed the ladies and left them crying-  
Stolen dreams, yes there's no denying  
I have traveled hard, sometimes with conscience flying,  
Somewhere with the wind

Now I'm sitting here before the fire,  
The empty room, the forest choir  
The flames that couldn't get any higher -  
They've withered now they've gone  
But I'm steady thinking, my way is clear  
and I know what I will do tomorrow  
When the hands have shaken and the kisses flowed  
Then I will disappear
