**Em**                    **C**                    **G**                    **D**  
Dark and cheerless is the morn without Your hand to comfort me  
**Em**                    **C**                    **G**                    **D**  
Joyless is the day's return till Your mercy's beams I see  
**C**           **G**           **Em**           **D** **C**           **G**           **Em**           **D**  
Till they inward light impart, glad my eyes and warm my heart

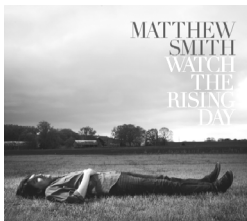

Chorus:

**Am**                    **C**                    **G**                    **D**  
Christ, whose glory fills the skies, You are the true, the only Light  
**Am**                    **C**                    **G**                    **D**  
Sun of Righteousness, arise, triumph over shades of night  
**Am**                    **C**  
You are the Light, You are the Light

Visit, then, this soul of mine, pierce the gloom of sin and grief  
Fill me, Radiance Divine, scatter all my unbelief  
More and more Yourself display, shining to the perfect day

Bridge:

**Em**                    **C**                    **G D Am**                    **C**                    **D**  
Dayspring from on high, be near; Day-star, in my heart appear.
