#### **CLARIFICATIONS (As per EDBF email dated 8<sup>th</sup> April 2016)**

Following much discussion on the 2016 Edition of the IDBF Competition Rules and Regulations the EDBF Council has agreed to the following for the forthcoming ENC in Rome. It is hoped that these decisions will lead to a higher number of entries and better competition in the upcoming championships.

1. The recently adopted rule for mixed crew composition, 10 men/10 women, will not come into effect at this ENC but at a later date, to be determined at the EDBF Congress which is to be held on Monday, 1st August 2016.
2. Junior A Standard Boat Open and Women: both competition classes are now cancelled. Teams will now be allowed to break up into two small boat crews and enter the small boat competition. Note: Participation will be allowed for 2 crews per nation. Three countries or four crews will be needed for championships status.
3. Junior A Standard Boat Mixed: To be combined with the Junior B Standard Boat Mixed entries to one category "Junior". Three entries will be sufficient for Championships status. One set of medals (GSB).
4. Junior B Small Boat U16: Once the Named Entries are in this class may be combined with the Junior A Small Boat in the same way as for Standard Boat. This will be decided and confirmed after 12<sup>th</sup> June 2016.
3. Senior Categories: three nations needed for championships status (medals GSB).
