

## OPT OUT FORM – NHS DATABASES

Dear GP Surgery,

- I would like to opt-out of **all of the NHS databases** (Summary Care Record, Hampshire Health Record/Salford Integrated Record/Stockport Health & Care Record etc) and **all other secondary uses** of my medical information such as risk stratification, the national clinical audits, and dissemination of information about me as held by the HSCIC (Type 2 opt-out)  
Please add the relevant read codes into my GP record

or

- I would like to opt-out of **just the Hampshire Health Record.** Please ensure that no information is extracted and uploaded from my GP record to the Hampshire Health Record, and /or any uploaded information is “blanked” or made unavailable.  
Please add the read code 9Nd1/XaKll or 93C1/XaKRw (as appropriate) into my GP record

*(please tick which option you would like to effect)*

I understand that I can opt back in to any or all of these databases at any time in the future.
