"This book tickles the funny bone of children adults equally. Part of the humour comes through the juxtaposition of the subdued, beautiful illustrations and the absurdity of an elephant trying to hide inside a standard lamp."

DAVID BARROW

Have You Seen Elephant?

An assured and exciting debut picture book from a top emerging talent, about a small boy and his elephant playing an absurd game of hide and seek.

Elephant wants to play hide and seek. But you'll need to try your best—he's very good!

Have You Seen Elephant is perfect for sharing with children, who will love finding elephant (and being better at it than the boy in the book!). Watch out for the dog and the tortoise, too ...
