*Mitch is not just a DJ; he creates parties and fills dancefloors across the UK, Europe and the globe. His crowd-pleasing mix of well-known music, interaction with the crowd and personal commitment makes sure everybody has a good time. He is the 'go to' name for Intel, Raymond Blanc and Abbey Road recording studio, and is highly acclaimed by leading corporate event bodies including Confex and ISES. Mitch is happy to work closely with clients before each event, and enjoys tailoring his sets to reflect their particular house style or brand. Recently interviewed by Steve Lamacq at prime time on BBC6 Music, Mitch also features as an entertainment expert in the national press.*
