## INTRO:

//6- - 5 // // // 4 - 1 // //

## VERSE:

6- 5  
It's everywhere we go, it's all around us now  
4 1  
It's like a shadow on the light of day  
6- 5  
And when it wages war, it prays on weary souls  
4 1  
It's creeping in to take our life away

## PRE CHORUS:

4 1 5  
But death cannot have victory in us  
4 1 5  
No death cannot have victory because  
(2nd time: 4 / 6- / 5 )

## CHORUS:

1  
Your overwhelming light shatters  
6-  
the darkest night  
4  
Wherever You are, wherever You are  
1  
death is overcome  
1  
Your resurrection proves You're  
6-  
making all things new

Wherever You are, wherever You are  
6-  
death is overcome

## VERSE 2:

6- 5  
You're never scared away,  
You're never pushed around  
4 1  
Nothing is strong enough to make You move  
6- 5  
And now that we are Yours,  
we will not live in fear  
4 1  
This is a life that we can never lose
