INTRO:

G D/F# Em G/B C
///// ///// /// /// ///// (2x)

VERSE:

G D/F#
She grew up on the streets of the Kingdom
Em G/B C
She is starving and dirty and poor
G D/F#
She's alone with not one to claim her
Em G/B C
Everywhere that she goes she's ignored
G D/F#
And everyday they gather to see it
Em G/B C
As the King rides his carriage through town
G D/F#
The little girl gets pushed back behind them
Em G/B C C
Out of sight, she falls to the ground

CHORUS:

G D/F#
You and I are only orphans
Em G/B C
Who are desperately longing for home
G D/F#
We are lonely and abandoned
Em G/B C
Wondering if there's a place we belong
Em D C C
O is there a place we belong?

VERSE 2:

G D/F#
The wheels halt and the people whisper
Em G/B C
As the King steps out in the marketplace
G D/F#
Now his robes are dusty and dirty
Em G/B C
But there's mercy and love on his face

G D/F#
Now she sees the King coming closer
Em G/B C
As he holds out his hand and kneels down
G D/F#
Her little eyes start to get teary
Em G/B C D
As he picks her up and gives her a crown

BRIDGE:

Em
Now she's wearing new clothes and she
D/F# G G/B C C
sits at the banqueting table with others like her
Em D/F#
They were dirty and hungry but now they're a family
G G/B D D
The King is their father forever

CHORUS2:

G D/F#
You and I were only orphans
Em G/B C
Who were desperately longing for home
G D/F#
We were lonely and abandoned
Em G/B C D
Wondering if there's a place we belong
G D/F#
You and I were only orphans
Em G/B C
The King finally gave us a home
G D/F#
We were lonely and abandoned
Em G/B C
Now we know there's a place we belong
Em G/B C
There is always a place we belong
Em D C C
Do you know there's a place you belong?
