INTRO:

Bb F/A Gm Bb/D Eb
///// ///// /// // ///// (2x)

VERSE:

Bb F/A
She grew up on the streets of the Kingdom
Gm Bb/D Eb
She is starving and dirty and poor
Bb F/A
She's alone with not one to claim her
Gm Bb/D Eb
Everywhere that she goes she's ignored
Bb F/A
And everyday they gather to see it
Gm Bb/D Eb
As the King rides his carriage through town
Bb F/A
The little girl gets pushed back behind them
Gm Bb/D Eb Eb
Out of sight, she falls to the ground

CHORUS:

Bb F/A
You and I are only orphans
Gm Bb/D Eb
Who are desperately longing for home
Bb F/A
We are lonely and abandoned
Gm Bb/D Eb
Wondering if there's a place we belong
Gm F Eb Eb
O is there a place we belong?

VERSE 2:

Bb F/A
The wheels halt and the people whisper
Gm Bb/D Eb
As the King steps out in the marketplace
Bb F/A
Now his robes are dusty and dirty
Gm Bb/D Eb
But there's mercy and love on his face

Bb F/A
Now she sees the King coming closer
Gm Bb/D Eb
As he holds out his hand and kneels down
Bb F/A
Her little eyes start to get teary
Gm Bb/D Eb F
As he picks her up and gives her a crown

BRIDGE:

Gm
Now she's wearing new clothes and she
F/A Bb Bb/D Eb
sits at the banqueting table with others like her
Gm F/A
They were dirty and hungry but now they're a family
Bb Bb/D F F
The King is their father forever

CHORUS2:

Bb F/A
You and I were only orphans
Gm Bb/D Eb
Who were desperately longing for home
Bb F/A
We were lonely and abandoned
Gm Bb/D Eb F
Wondering if there's a place we belong
Bb F/A
You and I were only orphans
Gm Bb/D Eb
The King finally gave us a home
Bb F/A
We were lonely and abandoned
Gm Bb/D Eb
Now we know there's a place we belong
Gm Bb/D Eb
There is always a place we belong
Gm F Eb Eb
Do you know there's a place you belong?
