

// PLACE WE BELONG

NASHVILLE NUMBERS
Bb

WRITTEN BY: JUSTIN KINTZEL, ROSS KING, KEITH EVERETTE SMITH

MAP: INTRO / V1 / C / V2 / C / B / C2

INTRO:

1 5/7 6- 1/3 4
///// ///// /// // ///// (2x)

VERSE:

1 5/7
She grew up on the streets of the Kingdom
6- 1/3 4
She is starving and dirty and poor
1 5/7
She's alone with not one to claim her
6- 1/3 4
Everywhere that she goes she's ignored
1 5/7
And everyday they gather to see it
6- 1/3 4
As the King rides his carriage through town
1 5/7
The little girl gets pushed back behind them
6- 1/3 4 4
Out of sight, she falls to the ground

CHORUS:

1 5/7
You and I are only orphans
6- 1/3 4
Who are desperately longing for home
1 5/7
We are lonely and abandoned
6- 1/3 4
Wondering if there's a place we belong
6- 5 4 4
O is there a place we belong?

VERSE 2:

1 5/7
The wheels halt and the people whisper
6- 1/3 4
As the King steps out in the marketplace
1 5/7
Now his robes are dusty and dirty
6- 1/3 4
But there's mercy and love on his face

1 5/7
Now she sees the King coming closer
6- 1/3 4
As he holds out his hand and kneels down
1 5/7
Her little eyes start to get teary
6- 1/3 4 5
As he picks her up and gives her a crown

BRIDGE:

6-
Now she's wearing new clothes and she
5/7 1 1/3 4
sits at the banqueting table with others like her
6- 5/7
They were dirty and hungry but now they're a family
1 1/3 5 5
The King is their father forever

CHORUS2:

1 5/7
You and I were only orphans
6- 1/3 4
Who were desperately longing for home
1 5/7
We were lonely and abandoned
6- 1/3 4 5
Wondering if there's a place we belong
1 5/7
You and I were only orphans
6- 1/3 4
The King finally gave us a home
1 5/7
We were lonely and abandoned
6- 1/3 4
Now we know there's a place we belong
6- 1/3 4
There is always a place we belong
6- 5 4 4
Do you know there's a place you belong?
