//// // /// ///

VERSE:

Bought with a price

Owning Nothing

But filled with desire

To give something

My passions may fail

But there's one thing

that I know

CHORUS:

I'm a slave, I'm a captive

To the Almighty King

I've been saved, I've been ransomed

From my sin and the shame

All I know is that I'm free to say

I love the one Who called me by name

I'm a slave

TURN AROUND:

// // ///

VERSE 2:

Dead to all rights

I am no one

It's more than alright

He is someone

Who took all my sin

I'm unworthy, but I know

BRIDGE:

To the One Who gave for me

I freely give my all to Him

A grateful servant of the King

He gave His all so I could live

Every spoken word or breath

For His glory and His fame

Every deed and every step

To the One Who called my name

I'm a slave
