Friends of The Bach Players 2017

By becoming a Friend of The Bach Players, you support both our concerts and our recordings – costly operations that always need subsidy from somewhere. You will also become part of a community of people who enjoy and support what we do.

This community is most visible at the parties we hold to launch a CD. These are informal, enjoyable, friendly, and even educational events – as we believe the concerts are too. We talk about the CD with contributions from those involved in its production: musicians, producer, engineer, writer, designer. We play some music. We serve wine and cakes. And it's a chance to talk with us musicians and with fellow members of the audience.

*If you become a Friend of The Bach Players in 2017, you will
— become a subscriber to the CD Bach and before, with your name printed in it (if you choose), and will receive one copy of it
— be invited to a party at which we launch the CD
The cost for this is £45.*

Bach and before contains music that we played at concerts in October 2015, and which features vocal and instrumental works by J. S. Bach's predecessors at St Thomas's Leipzig – Johann Hermann Schein, Johann Schelle, Johann Kuhnau. The disc ends with Bach's great cantata 'Die Elenden sollen essen' (BWV 75). This will be the twelfth and concluding CD for our series on the Hyphen Press Music label. A new series devoted to single-composer recordings is planned with another label for 2018.

We hope you will want to support us!
