LIVE AUCTION FUN NIGHT

Thank you to everyone who attended the Live Auction on Saturday night. Everyone had a great time. We appreciate all the hard work by the committee members – Amy Esch, Autume Gollon and Liz Aurit. Also, many thanks to Melody Scheckel and Melissa Peterson who made the WONDERFUL food. We will be getting out a list of other workers as soon as it is tallied. We appreciate all the people who donated for the auction and all the bidders. We will publish the profits when we know them. Thanks again.

SAFE ENVIRONMENT WEEK

The week of November 14 -18 is Safe Environment Week as designated by the Diocese of Madison. Teachers sent home letters explaining what will be discussed that week. The required material is usually covered in 1 – 2 lessons.

TEACHER EMAILS

Below are the emails for teachers at St. Joseph School. Please do not email the teachers expecting an immediate response. They are busy teaching during the day and will plan to only check their emails once per day at their convenience. **DO NOT USE THE TEACHER EMAILS** if you need to get in touch with them immediately about things such as changing what your child is doing after school, etc. **YOU SHOULD ALWAYS CALL THE SCHOOL OFFICE ABOUT SOMETHING LIKE THAT AND MAKE SURE YOU TALK TO SOMEONE DIRECTLY.** Though emails are convenient, it is important to remember that we do not check them all day long. If you need immediate contact it would be best to call.
