"Sing to the Lord a new song." Psalm 96:1

TEACHER APPRECIATION

This week is teacher appreciation week. We want to thank our dedicated staff for all that they do for their students. We are so blessed to have each of them.

TEACHER EASE

You should be receiving this week's newsletter from two sources: our Outlook email and our Teacher Ease email. Please let us know if you did not receive it from both sources! We want to make sure all parents are getting our updates.

BREWER TRIP

We have one extra ticket for another parent to join us on the Brewer trip. Please let us know if you are interested. Come join the fun. Cost of ticket and bus is \$48.

PLEASE NOTE – AFTER SCHOOL STUDY HALL

After school study hall will be held in the sixth grade homeroom for May (Mrs. McGraw/Mrs. Graber). We will not have after school study hall the last day of school – Thursday, May 25. Please plan accordingly.

SCHOOL FISH FRY

We need volunteers for the school fish fry on Friday, May 12. Please call or stop by and see Virginia to sign up. This fish fry does count towards adult volunteer hours for school. The other fish fries are a parish event so do not count towards adult volunteer hours. We really need more workers.

RUN FOR FUN/FUN FEST

Early registration forms are due by Wednesday, May 3. This guarantees a t-shirt and an earlier registration fee. Please send the registrations to the school office. Registrations are accepted after that, but a t-shirt is not guaranteed and the fee goes up.

We also need A LOT volunteers for the Thursday, May 25 event. You can sign up on the door next to the office or on-line.

These volunteer hours can count for this year or next year. Please indicate behind your name if you want the hours to count for next year, otherwise we will assume they are for this year.

APPLICATIONS AND UPDATES

We sent home a mailing on Wednesday, April 26 that included an application for 2017-18 and an update on any tuition, fees and volunteer hours still required. We want all tuition and fees to be completed by May 15. Also, volunteer hours can be signed up now for the school May 12 fish fry (which counts as volunteer hours) and the Run for Fun/Fun Fest. We will need a lot of help with the Run for Fun/Fun Fest and appreciate that people are willing to go above and beyond their required hours. Thank you.

AREA 5 TRACK MEET

Sign-ups have been completed for the Area 5 track meet which will take place on May 3 at the Cuba City High School. Information will go home today, Monday, for any child that is participating. Remember, parents are in charge of this event and need to provide transportation and supervision.

8th GRADE PICTURES

8th grade parents – please make sure to send baby pictures (1 or 2) for the power point presentation for graduation. If you could send them electronically that would be great. Otherwise, send us the picture and we will scan them and return them to the student. Please have these to the office by Friday, May 12. If you have any pictures from when the students were in younger grades such as First Communion, Christmas program, etc. it would be fun to include a few of those. We prefer pictures that have multiple people in them. Also, if you have pictures from events from this year we would appreciate those also. Thank you.

CLASS TRIPS

Permission slips and information went home with students in grade 3-5 on Friday. K-2 permission slips and information will go home today, Monday. Grades 7-8 have received information and they were due back last Friday. Grade 6 information went home last month and have already been returned.

2nd GRADE PARENTS – FIRST COMMUNION PICTURES NEEDED

First Holy Communion 2017 pictures are put in the yearbook next year. If you could please send electronic pictures to Vicki Hying for the 2017-18 yearbook it would be very appreciated. She will keep them for next year. Thank you. bvhying@gmail.com

THANK YOU NOTES RECEIVED

We received a thank you from “Laney’s Team” for our fundraising for juvenile diabetes awareness. Their motto is “Helping Turn Type 1 Into Type None.” We raised \$500 with the bake sale and \$300 with tape a teacher to the wall.

We also received a thank you from the nursing students that went to Haiti. They appreciated all the items that were donated that they were able to take the child they work with.

Thank you all for your generosity.

SUMMER SOLUTIONS

Attached you should find the information for ordering Summer Solutions. It is a summer program of Simple Solutions. It is a great and easy way to keep your child on track with their math skills.
