

Taking the IDeAS Process to your Campus

Describe in a few words how your campus/center responds to failure:

Is it primarily **growth** or **fixed**?

Who can you work with (groups or individuals) to use the IDEAS process to help continue positive momentum?

Identify **one small action step** that can help you continue to "flip the mindset" at your campus or at your center:

Are there people or groups you can work with who might be receptive to using the IDEAS process?
Who? When?

What particular **challenges** do you anticipate?

Identify particular **strategies** for working with these potential challenges:

Identify **one small action step** that can help you to "flip the mindset" on your campus or at your center:

Accountability Partner:

Pair up and spend two minutes swapping stories about your campus context and a specific action step you hope will help "flip the mindset." Email each other within the next two weeks to follow up on your progress.
