

12/7/43

Dear Mom:

As you can tell by the
post mark from in San Diego.
We arrived here Monday
night at about 01445 navy
time or 7:45 civilian time.

There are 180 men in
our company. 54 are from
L. A. area. The rest are
from the south. Most of us
are voluntary enlistees but a
few are drafted.

We got our uniforms
today and boy we had all
the stuff we could carry.

We got another physical
and one vaccination, two shots
and one G. I. hairlift.

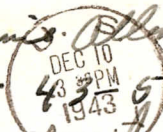

I haven't much time so I
guess I'll close

Love to all
from [unclear]

P.S. The food is excellent, all
you can eat of the best.
