HELLO

I'm **Patrick**, a Motion Graphic Artist from Chicago.

I'm very dedicated and passionate in the work that I do. I bring a high level of energy and take pride in completing the tasks at hand. I welcome every chance to showcase my talent and create an end product that people will love. I have been fortunate enough to work with a high range of clientele. This includes; United States Special Operation Command(SCOM), NASA, McGraw Hill Education, Sears, JVC and Seattle's Best Coffee.

EXPERIENCE

Present **Sheffield Marketing Partners**

Animator

Lead Animator. Contribute to pre-production through creative concerting and storyboarding. Worked with client teams, and executives for review and feedback.

2012 - 2013 **JVC**

Freelance producer

Lead Producer for promo videos of the Adixion & GV-LS2 cameras. Produced over 7 promo videos to be played for in-store displays and youtube channels.

2008 - 20012 **Pure Imagination, Inc.**

Cerative

A small company so I had a wide range of responsibilities. Was involved with many types of creative project.. Everything from print & webdesign to video production.

2006 - 2007 **The Pepper Group**

Freelancer

Flash animation and Action Script coding for banner ads and headers. Sliced Photoshop designs to base HTML and CSS websites.

EDUCATION

2004- 2008 **Digital Media Prodction**

Illinois Institute of Art of Schaumburg
