

Escape the Room Challenge!

1. Just simply tap on the door and it will open.
2. For this door, tilt your phone to the left to make the ball roll and then the door will open.
3. For this one, simply roll the ball left and you will find a key. Use the key to unlock your door.
4. See the chord? Pull on it and slip out when there is a gap.
5. Check under the left lamp and you will find a doorknob, use this to go through the door.
