## BEER LIST

 = Big Lug House Beer

 = Big Lug Rotating

### KRISTOFFERSON

AMERICAN OATMEAL PALE  
5.7% ABV, 45 IBU

16OZ \$5.00

This American Oatmeal Pale Ale has a slightly heavier malt body to strike a balance with the citrus, piney, and floral hops. Hop aromas that will make you cuss your pants.

### KINGS JIVE

ENGLISH BROWN  
4.5% ABV, 18 IBU

16OZ \$5.00

A traditional English Brown Ale with familiar notes of toffee, toasted bread, and chocolate. Nevermind the Bollocks.

### CLINT

SESSIONS IPA  
4.7% ABV, 51 IBU

16OZ \$5.00

A lower alcohol IPA that still packs an array of citrus, peach, and mango hop flavors. It is bold enough to survive a seemingly endless variance of crappy Indianapolis weather, while also being light enough to quench your thirst after a long bike ride.

### MAMACITA

VIENNA LAGER  
5.4% ABV, 22 IBU

16OZ \$5.00

Who needs a beach when Big Lug is brewing up a tasty Mexican style lager in Indy? Copper in color with a sweet malt aroma, this beer is breadly with some nuttiness and caramel from the malts. We are giving you a lime too so shut it!

### THISTLED ROSE

SUMMER BITTER  
5.2% ABV, 35 IBU

16OZ \$5.00

A lighter version of an ESB with breadly malt cut by English hops. Earthy, spicy, and delicate with a crisp finish, that while hoppy, isn't overly bitter but instead refreshing. I compare it to a kiss from a rose on a grey.

### 5 FOOT FREAK

BELGIAN SOUR  
5.3% ABV, 18 IBU

16OZ \$5.00

Boy this beer really has a lot of flavor. A Belgian Farmhouse ale that was fermented with 120 pounds of both raspberries and blood orange. Sour from lactobacillus and bubbly from a vigorous carbonation. Can you drink it?
