Matching Gifts Programs

More than 7,500 companies offer matching gift programs to their employees, and some offer the option to retirees. These companies will send a donation that **matches, doubles or maybe even triples the amount an employee gives** to a non-profit, charitable organization.

Your matched gift will make you eligible for recognition in certain giving levels that are listed in Sacred Heart School publications; your company will also receive recognition.

Below is a partial list of companies who offer matching gifts. This list is not comprehensive and we encourage you to check with your personnel office to confirm if your company offers matching gifts. If they do, they will have details on how to direct a matching gift to SHS. This list is for your reference and does not guarantee that a matching gift will be approved.
